Academics

> "As an organization, we strive to hold our current members to the same standard that we would screen any potential new members. This individualized plan will be completed by both the scholarship chair and individual brother that falls below the requirement. The plans will reflect the individuals needs and appropriate resources that they can take advantage of while at Babson College." ~Jordan Cohen, Alpha Epsilon Pi, '16

Service & Philanthropy

"Chi Omega's national philanthropy is the Make-A-Wish Foundation. Philanthropy is a pillar of ours that is very important to us, especially for an organization as amazing as the MakeA-Wish Foundation, which has touched so many people and families. Each year we hold several fundraising events in an effort to raise money to donate back to the Foundation. Chi Omega Sigma Mu has been able to grant 2 wishes to date, and we are getting close to granting our third wish. We are extremely proud of this achievement, and as an organization we put a great emphasis on giving back and helping others." ~Chi Omega Accreditation
