

Mission Statement: The mission of Residence Life is to develop safe and inclusive residential campus communities.

Contract Period: Upon acceptance of the offer until May 11, 2025.

POSITION SUMMARY

The hours expected of the Resident Assistant (RA) vary according to the needs of the community and staff. On average, RAs work 10-12 hours per week depending on the time of year, completing the responsibilities listed below. The Resident Assistant represents the Residence Life Office as a peer leader, educator, and community builder. With supervision from an Area Coordinator or Assistant Area Coordinator, each RA provides opportunities to residents for educational and personal growth, and builds safe and inclusive residential communities. This position is one of service and represents a significant dedication to the residents of Babson College. RAs participate in all training activities, supervision meetings, and staff meetings including, but not limited to fall training, winter training, and monthly in-services.

RAs understand that this position is considered their foremost non-academic priority and all other jobs, student clubs, or organizations should be discussed with and approved by their supervisor and the Director of Residence Life prior to accepting the position. RAs must reapply each year through the Residence Life selection process. Resignation or removal will result in an immediate reassignment to an alternate room on campus and this relocation will occur at the discretion of the Director for Residence Life.

Supervision: Resident Assistants (RA) report to the Area Coordinator or Assistant Area Coordinator for the residential community to which they are assigned. Regular one-on-one meetings are required. Area Coordinators and Assistant Area Coordinators provide training, support, and assistance in the execution of the RA's responsibilities.

Remuneration: RAs receive a housing waiver for a single room. Additional benefits of the position include leadership training, transferable skills, and professional development opportunities.

Staff meetings are held from 4:40 pm–6:20 pm on Monday nights. RAs are required to attend all staff meetings and are expected to maintain this block of time open for Residence Life-related tasks and events. If any conflicts or questions arise, please contact your direct supervisor prior to accepting this offer. RA In-service trainings will take place during this time block three times a semester. RAs are required to maintain timely communication throughout the academic year regarding approved absences for these meetings.

ELIGIBILITY

1. Maintain a minimum of a 2.5 cumulative grade point average. RAs allow their grades to be released to the Residence Life professional staff at the completion of each semester to verify meeting the minimum GPA requirement mentioned above. If an RA's GPA falls below 2.5, they may not be eligible to be a Resident Assistant.
2. All applicants must have completed two semesters at Babson College prior to becoming an RA.
3. All student staff must maintain full-time enrollment status during their time as a Resident Assistant. Full-time status means enrollment in 12-course credits. If an RA is enrolled in less than 12 credits, they may not be eligible to be an RA. RAs are expected to proactively communicate with their supervisor if they are concerned they may be taking less than 12-course credits.
4. Demonstrate behavior consistent with Babson's Code of Ethics and the policies of Residence Life.
5. Attend all training sessions in the fall, winter, and throughout the academic year.
6. All RAs are required to submit a Housing application before the Housing deadline on the Babson Student Hub and agree to a Housing License and Meal Plan Agreement. The Housing License and Meal Plan Agreement is independent of your RA contract. Accordingly, if you are terminated or resign from the RA role you are still bound by the Housing License and Meal Plan Agreement and therefore responsible for all financial obligations and cancellations policies set forth by the College.

ROLES & RESPONSIBILITIES

- Meet all deadlines set by their supervisor.
- Assist with hall opening and closing each semester, move-in and move-out days, RA selection, and other processes as needed.
- Manage office and primary keys responsibly. The loss or misuse of an office or primary key will result in termination and/or other consequences to be determined by the Residence Life staff.
- Hang and remove all posters provided to you by your supervisor in a timely manner.
- Address and report all facilities issues in a timely manner through online work order requests and communication with your supervisor and custodian(s).
- Update the Grasshopper Call Forwarding System with your phone number while on rounds.
- Assist your supervisor in completing health and safety inspections during the fall and spring semesters.

E. CRISIS MANAGER & PEER ACCOUNTABILITY

- Identify and refer students who are in need of assistance to the appropriate campus services.
- Contact the Administrator on Call or the Dean on Call when appropriate.
- During an emergency period, all RAs are expected to be "on-call" in their respective areas, communicate appropriate information to residents, and complete rounds within your building as directed. RAs will receive specific instructions depending on the situation.
- Assume on-duty shifts and conduct thorough rounds in rotation with fellow RAs in their respective areas. Hold community hours each on-call shift from 8 pm-10:15 pm to be a positive presence and resource for students.
- RAs must provide appropriate coverage of their area during holidays and break periods while the residence halls are open. Seek approval from your supervisor prior to making travel plans during these times.
- Understand, communicate, and enforce the relevant policies and processes as stated in *Babson College's Code of Ethics* to the resident population at-large at all times.
- Appropriately address and accurately document policy violations in a fair and consistent manner utilizing the appropriate report form (i.e.: the Maxient incident report form, the CARE report form, the Bias incident report form, etc.).
