- **Winter costs**: The cost per credit is $1,410. On campus housing is $697. Students who plan to live on campus must submit the online application for winter housing (Babson Hub>Student Life>Residence Life). There are no meal plan options for winter.

- **Payment**: Payment for winter is separate from spring and is due **December 10, 2014**. **Timely payment for winter is important as we will review winter enrollment and determine any cancellation of courses in mid-December**.
