The ship has left its port
A new journey has now begun
Will the future bring happiness or remorse
Perhaps this voyage will be a guide to my course.
This is a story....

of a college year,
memories which will live a lifetime
The majestic
Spring will be a little late this year.

ight of truth burns bright....

The germ is unique, has no apparent derivation and is rarely visible. An incoming college freshman may not even be aware he has contracted the infectious virus. Yet, through an indiscernible transitional process, the symptoms become apparent, and eventually the germ becomes noticeable. While the condition grows in severity, there is an marked change in the victim. What is this strange disease. It is the germ of FREE THOUGHT, nurtured by knowledge in a democracy.
Seeds of maturity are sown
Colleges are found in many settings, the curricula are varied, and the organization of educational requirements may be dissimilar. Yet, unerringly there is a common sense of faith in the purpose of higher education.
Education encompasses far more than

When entering an institution of higher learning, many persons are not aware of the true meaning of education. It is especially important for the future businessman of the country to be of a diversified well-rounded nature. Here at Babson, this aim is kept in the foreground and is successfully fulfilled.
books can teach...

Fraternities vie for new pledges

Inter-school unity is exhibited in blood drive
With humble appreciation...

dedication

We, the class of 1958, earnestly acknowledge the vast contributions Paul C. Staake has made to the student body of Babson. His unselfish devotion to our school has set an example of loyalty and pride which, if followed by students, faculty, and administration, will greatly aid in our continual progress.

The position of registrar is in itself a great responsibility to administer properly. Yet, Mr. Staake has taken on the added duties of Director of Activities without showing a lessening of competence as Registrar.

Most persons could not possibly hope to do justice to both of these important areas of administration. To us, his unlimited resourcefulness remains a “joyful mystery.”
Founder's Day at Babson has a unique feature that few schools can boast of; our founder still makes an appearance to enlighten us with a few well-qualified words of inspiration. This year was no exception as Mr. Babson unfolded the incredible story of his climb to success and pointed out how all of us have the same chance as he had when starting out many years ago. Mr. Babson's words of advice for success were to "concentrate on the one thing that you can do best and become the best that there is in that one thing." He explains that anyone, no matter how humble a background he emerges from, can become a success. Mr. Babson cited his own particular case as an example to prove his point. In retrospect, it is safe to surmise that Roger Babson is truly a remarkable individual.
the key to success"
To the members of the class of '58

Gordon M. Trim
President

Somewhere in the usual message from the college president there is always the advice that the Senior Class is graduating into a problem world. While this can be truly said of today's troublesome times, I believe that our Senior men will also recognize that along with problems will come the opportunities for solutions.

Learning how to solve the problems of business has been your work on this campus for three years. During that time you have, I believe, acquired the basic qualities of imagination, self-control, common sense, willingness to work, and integrity all of which will stand you in good stead when you are faced, as you will be, with difficult situations in the world of business.

The opportunities in the world are countless and there is a national need, at all levels, for men with business competence. With the sound training which you have had in the fundamentals of business here at Babson Institute, I feel that you are competent for the work which lies ahead. Good luck and Godspeed to all the members of the Class of 1958.

Sincerely,

[Signature]

Gordon M. Trim
From the alumni scattered all over the world you have our sincere congratulations upon your achievements at Babson. Your student days have been a wonderful and challenging time for you. The friendships and the studies will always remain part of your life, and over and over again will be an asset.

As you move into your chosen field of endeavor, your Babson education will prove its worth by giving you a competitive advantage in moving up the ladder of success. You will always have the security of knowing there are thousands of alumni who are available for help, both personal and business. You may never need to do so, but should there be a reason for it, you can always call at the Alumni Office for counsel, specific help and many other services. The Alumni organization receives many such requests each week.

There may be times throughout your career when Babson will ask you to help others. The personal satisfaction in giving such assistance you will find most rewarding. The strength of the whole Babson organization from the Alumni to Faculty has been this unselfish willingness to help carry the load when the need arises.

All of us join in sending our best wishes for success in your business, personal and civic activities. We look forward to meeting you and being with you often.

Cordially,

Proctor A. Coffin, President
Babson Alumni Association

The alumni president Proctor A. Coffin

A typical alumni gathering in Los Angeles
In the world of today, too often the measurement of a person's success is in the terms of his yearly income. Fortunately, there still remains a breed of individuals who willingly sacrifice many of the material luxuries of life in order to attain personal satisfaction by benefiting others. The educators of a school are unquestionably in this classification.

The administrative positions at Babson are probably the most inconspicuous, and, at the same time, the most important areas of responsibility. In many respects, the administration can be compared to people of the entertainment field. They are not the performers, but the writers, directors, technicians, and engineers, the persons backstage who make the performance possible. The same holds true here at Babson. It is impossible to acknowledge our appreciation to everyone concerned in administration, but we would like you all to know that your efforts have not gone unnoticed.

In the world of today, too often the measurement of a person's success is in the terms of his yearly income. Fortunately, there still remains a breed of individuals who willingly sacrifice many of the material luxuries of life in order to attain personal satisfaction by benefiting others. The educators of a school are unquestionably in this classification.
SENIORS

Graduation day, the long awaited occasion, has come and gone. For most, the autumn seasons will no longer be synonymous with a return to school. To many, a feeling of sadness is intermingled with the satisfaction of meeting a new challenge. One period of development is over, the greatest period has now begun.
We had spent our last summer before our college careers in the gathering of tools for each of us to use in the business world ahead.

September 21, 1955, was the starting line, the buckling down time for the three years to follow. Everyone would rather have been back on vacation as orientation examinations took the spotlight for four days. Then suddenly the first weekend came, and girls from Framingham created the necessary atmosphere for the Saturday night dance.

Soon we were to frequent many neighboring female colleges and to find that they would play a significant role in our social life.

We were actually gaining ground now, and our professors enlightened our thinking and presented ideas, new and interesting. We began to bind into a class, the Class of 1958. Soon, officers were elected: Dick Buckley, President; Craig Klocker, Vice-President; Jim Buschini, Secretary; and Neil Abrahamson, Treasurer. June brought a well-deserved summer vacation, the close of the first lap, and a feeling of accomplishment.

Back in September, we were on the inside now, greeting the new freshmen and beginning the second lap of our college career. The weeks went by, and with renewed enthusiasm we continued our studies, and participated in extra-curricular activities, both on and off campus. The officers in our junior year were: Len Smith, President; Craig Klocker, Vice-President; Steve Raches, Secretary; and Jack Garrity, Treasurer. Their administrative and social leadership brought us through the year with great success.
Many things made life most interesting: a beer-blast at Green Acres, a semi-formal at the Maugus Club, a beach party in Duxbury, and Ec. Theory. As June arrived, we were all choosing our majors, and the distribution men were lining up their summer selling jobs.

September, 1957, began the final phase of our education at Babson, with officers: Jack Garrity, President; Joe White, Vice-President; Bing Leonard, Secretary; and Dick Boutillier, Treasurer. The Fall got rolling with a semi-formal dance in Waltham.

Fall turned into Winter, and included in our curriculum was the course we had been aware of for 2 1/2 years, Industry Analysis. What with “agents,” then suddenly lack of them, we managed to pull through the trying but rewarding ordeal with flying colors.

The event that capped our social life at Babson was the traditional Dinner-Dance, this year at the Commonwealth Country Club. This was important, for it symbolized, among other things, that graduation was only 5 weeks away.

We will always remember the three exciting Winter carnivals and the three fun-full Spring week-ends in which the entire student body participated. We will never forget the matters of financial nature during our senior year, and the ease with which the dues were collected!

Our three years at Babson Institute have given us inspiration, great enthusiasm, and most significantly, life-long associations. Upon entering the outside world, we are grateful to our instructors for preparing the way, and we wish each other the best of good fortune and happiness.

FIRST AND SECOND YEAR GRADUATE STUDENTS

I hear business opportunities aren't too good.

Since its inception in 1951 the Babson Institute Graduate School has fulfilled the responsibilities required of an advanced college program. Men from both Liberal Arts and Business Administration schools are accepted, and a Master of Business Administration is granted in one or two years depending upon the courses taken in undergraduate school.
ARMY PROGRAM
Army Program

After great research into the various program study offered at colleges throughout the United States, the Army Ordinance Corps chose Babson as one of the institutions to send their men. The Army program has been in existence here for four years and has been highly successful. Each man in the program previously attended a college for at least one year. If he received a undergraduate degree in the past, an M.B.A. is received at the end of the eight semesters of study. Colonel Lawrence Meyns of the Babson Faculty has been coordinator of the program since its beginning in 1954.

Fourth year in existence proves

That's my boy!

Park Manor South is over on the left.

FRESHMAN ORIENTATION
"Remember, the man next to you will not be here next year."

Gee! College is great!

My I.Q. must be higher than that.

Now for some fun.
With either one or two years completed at Babson Institute, the undergraduates are beginning to realize that higher education has become a reality. Now is the time dreams of the future are taking shape. After Babson, will it be law school, a post-graduate course, or the business world directly. These and other questions will have to be decided in less time than many realize.
THE JUNIOR CLASS

The class of '59 had what might be called one of the most enjoyable Junior years on record. It would be hard to deny that our social events were memorable ones. The "Shipwreck Blast" at Green Acres started the year off in good fashion and provided an opportunity for some of our more lively classmates to have a good time along with the sedate ones. In the Winter term a semi-formal dance was held at the Sandy Burr Country Club with a band vocalist and comedian. This affair was undoubtedly one of Babson's all time best efforts. To round off the year, the class of '59 had a "clam bake" at Duxbury Beach that lasted all afternoon (and well into the night for a few brave souls) with a good time had by all. Everything considered, it was an unforgettable year and the class thanks the officers for a job well-done with a special pat-on-the-back to Peter MacGonagle who imported some of the flavor of the "South Shore Society Set" in his capacity as social chairman.

SECTION J-5

SECTION J-6

The class of 1960 stepped off to a rapid start by electing its officers and immediately setting up plans for an active year both socially and academically. Under President Homer “Pete” Shellenberger, Vice-President “Fritz” Ancona, Treasurer Peter Wilson, and Social Chairman Gordon Heald and his capable staff, things rolled quickly. The first social function consisted of the all-time most enjoyable closed dance ever held by a freshman class at the Sydney Hill Club in Chestnut Hill. This was followed by a bake by the shores of the Atlantic which was as successful a get-together as was the dance. With prospects in store for a fast start in September, it looks like the class is heading for a glorious career at Babson Institute.

CLUBS AND FRATERNITIES

The natural desire for non-academic association with his fellow students is satisfied by participation in the institute’s many extra-curricular and fraternal organizations.
This year has truly been one of the best for the Babson Chapter of Blue Key National Honor Fraternity with the attempt by the brothers in their activities to live up to the idea embodied in the fraternity motto, “Serving I live.”

Among the activities this year were the conducting of all elections on the campus, sponsorship of the “Mayor of the Campus” campaign, sponsorship in the first inclusion of Babson in “Who’s Who Among Students,” the “seed” of “Hobo Week” and handling the sales of the Babson Chair. The Blue Key Alumni Journal was also published again this year in an attempt to promote a closer relationship between the undergraduate brothers and their alumni counterparts.

“Duke Farouk” Leighton presented key to Babson campus.

The Brotherhood of Alpha Delta Sigma once again had another full, successful, and profitable year due to the fine work of President Ralph Chase, Vice-President Dick Boutillier, Secretaries Donald Bolger and Steven Rachles, and Treasurer Ira Hurley along with the fine cooperative effort of all the brothers.

The year's activities began with a kickoff Dixieland Jazz Dance for the entire school, which was attended by students from all other campus organizations.

In December, the annual Christmas Party for 35 underprivileged children from the Rebecca Pome-roy House was given, with our advisor, Mr. Bertrand Cesfield, acting the role of Santa Claus.

Throughout the calendar year, fine speakers from well known companies came on campus to present different modes of distribution to the Brotherhood. Also, our adopted "Korean son" Kim Chol Soo was present in the minds of all the brothers which brought a closer sense of unity to the fraternity.

Our first place in the President's Cup Award for all the chapters was displayed throughout the year at various meetings.

The largest turnout ever for our Annual Snow Ball Dance for the entire school was witnessed in the snowy month of January.

Playboy sponsored the cocktail party before the Winter Carnival Dance with other closed parties fitting for campus Mayor as March the year.

Brother Dallin did a fine job running for campus Mayor as Marshall Matt Dallin the torch parades will long be remembered. Field Trips were enlightening and interesting, especially the one taken to Carlings Brewery.

Interfraternity relations were promoted by a joint dance at the Bradford Hotel.

Missing from picture—Ted Carlson, Edward Chapin, William Frazier, Earl MacGillivray, Larry Miles, Marvey Peterson, Jason Schloss, Francis Southwick, George Yorks, James Britt, and Peter Baltzer.

source of much teamwork and enjoyable participation. The majority campaign, with candidate Col. Mathias T. Fump ("Buzz" Heim) added a new humorous note to the year's greatest weekend. The fraternal spirit showed itself most intensely at the Winter Carnival Suite Party, which was a great success.

The year has brought many professional speakers before the brotherhood on many interesting and enjoyable topics. The dinner meetings and initiation dinners, along with the two pledge parties combined social relaxations with business necessities to create an atmosphere of unity.

The Sweetheart of AKPsi, Miss Maureen Driscoll

Alpha Kappa Psi has had a whirlwind year of social and professional activities. The Phoenixian Ball kicked off a socially successful year.

The brothers will not soon forget the field trip to the Carlings Brewery which gave so very much enjoyment. The trip to the New York Stock Exchange under the leadership of Dr. Frederick Harrison, was educational and very enlighting. It offered to the brothers the opportunity to see the vast workings of the security exchange in motion.

Alpha Kappa Psi saw two good pledge classes this past year, and has added sixteen to the brotherhood.

Perhaps the most enjoyable school function for the fraternity was the events associated with the Winter Carnival. The float, though mostly a pledge project, was a

Carnival float in readiness
GAMMA UPSILON CHAPTER

William Rogers, President; Edward Wilbur, Vice-President; George Shippey, Treasurer; Michael Tyson, Secretary.

Under the able leadership of President Bill Rogers, the Gamma Upsilon Chapter of Delta Sigma Pi experienced another successful year. Gaining the full cooperation of the brotherhood from the start, Bill, assisted by John McCarthy, Ed Wilbur, Mike Tyson, and George Shippey, succeeded in attaining the goal of every fraternity, a closely bound chapter.

During the course of the year the brothers had the opportunity to observe industry in action in a complete program of field trips. Perhaps the favorite of these trips was the one to Carling’s Brewery. The brotherhood was also afforded the opportunity to hear many guest speakers at various intervals throughout the year. The return of a passive brother, and founder of

the fraternity, was perhaps the most gratifying of these speakers. Socially, many fine parties were held to which the brothers and their guests were invited. To single one of these parties out as a highlight of the year would be an impossible task.

However, we were especially proud of the party at which Paula McKeever was chosen the Rose of Delta Sig.

Where's the black leather jacket, Fran?

Is this the chow line, chef?

Senior class officers in confab with business executives.

Gee, my first letter this year.
With the purpose of fostering a closer cooperation between the administration and the student body, the Student Council has a great responsibility. Such duties as issuing licenses, estimating organization budgets, and validating student grievances are only a few of the numerous duties of the student council. As the school has grown in size the problems of the "Council" have grown in number and complexity. However, with the help of the administration, their function has been performed admirably.

Student Council gets down to business.

**STUDENT COUNCIL**

*Front Row, L-R—R. Cremonni; L. Richardson; D. Bamberger; R. Schofield; K. Gould; L. Dallin; E. Mahler. Back Row—J. Bogardus; H. Shellenberger; D. Wales; G. Pennington; M. Finn; P. Wilson; J. Atherton; R. Blount; G. Nightengale; L. Parrott; E. Hall.*
The Student Cabinet might be called the "executive suite" of the campus since its membership is made up of the presidents of all campus organizations. It deals with things of an inter-organizational nature, such as meeting times, communication problems, and related developments. The cabinet helped greatly in the success of the Mayors and is looking forward to expanded activities in the future.

Student coordinator Paul C. Staake looks on as Student Cabinet member Dick Kirschbaum presents achievement award.

STUDENT CABINET

The challenge of creating a yearbook is truly a rewarding experience. Our staff, though small in numbers, worked diligently in order to produce the finest yearbook ever at Babson. The personal satisfaction achieved by each member of the Babsonian can not be measured in a materialistic way. Only persons who have been a part of such a project can truly appreciate the satisfaction one receives in cooperating in order to achieve a common goal—a yearbook the students and school can be proud of.

Our task at times seemed endless and unrewarding. Yet when it was complete all the difficulties we encountered were minute in comparison with the strong feeling of accomplishment we felt.

Editor Kirschbaum coordinates pictures with copy being typed by staff members. Pete Karapelou and Joe Jeziorksi.
AVIATION CLUB

The Babson Aviation Club, Inc. was founded in 1948 for the purpose of giving students of Babson the opportunity to learn to fly for business or pleasure at a cost considerably lower than customarily encountered in flying schools. The club airplane, an Aeronca Champion, is based at Westboro, Mass., where licensed instructors are available. The club meets on the first and last Thursdays of every month on campus, and are open to all interested in aviation.
HONORS DAY AWARDS ANNOUNCED

Dwinell Speaks At Graduation

The speaker for the 35th Annual Commencement will be The Honorable Lane Dwinell, Governor of the State of New Hampshire. He has been announced by President Gordon M. Trim, The commencement exercises will be held in Knights Auditorium on June 23. Governor Dwinell’s address will be entitled “The Businessman’s View.”

In making the announcement, Dr. Trim said, “He is the greatest of pleasures that I overcome the appearance of Governor Lane Dwinell, Governor of the State of New Hampshire, at the 1958 Babson Graduation.

The services will start at 4:00 P.M. to be followed by the faculty reception and tea in the Pacific. The expectations exercises for men wearing green gowns and for women wearing white gowns will take place at the reception.

For the coming year, the number of new officers for your school newsletter are: Sally Halbert—President, Carolyn Barrett—Vice-president, Mary Patino—Recording Secretary, Ann Hove—Corresponding Secretary, Paul Gross—Treasurer.

The Club asked me to be officially present for the coming year. She has accepted and we are all looking forward to having her with us for the coming year.

Mrs. Henry Knox, our present Publicity Writer, was present at the last meeting for her generous support as advisor to our club for the past two years. We are all grateful for her keen interest in the growth and progress of our organization.

On Saturday, June 9, the Club had a picnic with businesses and children coming to visit. You will receive more information on the picnic later.

The Club extends its appreciation to the old officers for doing such a fine job this year and wishes the new officers much success for the coming year.

ATTENTION OFF-CAMPUS STUDENTS

Considering the number of applications for entrance in the Fall of ‘59, it would appear that we would have a full enrollment. Therefore, it is important that this time to receive an application from all off-campus students at your earliest convenience of returning so that a place may be held. If you have not returned to Miss Tracy in the Business Office the questionnaire asking this information, please take care of doing so at once. We particularly wish to know if you are not returning as your place may be given to others who are applying.

SCHOLASTIC AND ATHLETIC AWARDS MADE—SMITH GIVEN FOUR

At the annual Honors Day held in the Pacific, the morning Babson’s scholastic awards were presented to the students, and the afternoon Babson’s athletic awards were presented to the athletic team. The awards were presented by President Carroll to the students who have excelled in their respective fields.

Leonard Smith, President of Blue Key, accepted the Alpha Kappa Psi Scholarship Award, the Delta Sigma Pi Scholarship Award, and the White Who Among Students at American Universities and Colleges Award for the most individual accomplishment.

Mr. Smith, a member of the Class of ’59, is a member of the Business Honor Society and has been a member of the basketball team for two years, winning the Senior Bowl Award for two years each.

DEPARTMENT OF ATHLETICS

The Wall Street Journal, for the student having written the most distinguished record in the division of finance, went to Robert P. Dietrich, a senior from Connecticut.

The Alpha Kappa Psi Scholarship Award and the Delta Sigma Pi Scholarship Award both went to Leonida Smith, a senior with the highest academic average at graduation.

(Continued on page 2)

152 STUDENT PARKERS SHOW PERFECT SCORE

Since the beginning of the school year in October up to the present time, 152 students have a perfect score in parking violations. None of these 152 students have received any violations in their school parking violation categories. They have been reported to the students.

POETRY

Babson Globe—News

Babson College

STUDENT PUBLICATION OF

Baben Institute

May 21, 1958, Babson Park 57, Mass.

No. 23

12/12/2023 1:39:37 AM
BEAVER DEFUNCT

The principal objective of the Globe was to bring to the student body a weekly newspaper of high caliber. With the funds that were made available to the Student Publication, the Globe staff was able to publish weekly until the later part of the third semester. Twenty nine men were responsible for the success of the Globe during the year. A temporary staff with members of Globe staff and new additions produced one of the most successful Parody issues ever published at Babson Institute.

During the second semester, the staff of the Babson Beaver voted in favor of confining the school mascot to the sports page. With the approval of the Student Council, the Administration, and the Student Body, the Babson Globe News came into being.
SOCIETY FOR THE ADVANCEMENT

The chapter's activities during the past year have been expanded and improved in conventional as well as in new areas of programming. The chapter has conducted and sponsored three conferences or clinics in the past year. The New England-Empire Regional S.A.M. Conference at Boston which was held in November, 1957. S.A.M.'s Job Clinics here at Babson ran continuously from December, 1957 to February, 1958; and the Spring Bay State Conference on CREATIVE ACTION FOR TOMORROW'S MANAGEMENT was held on April 14, 1958.

The Society also sponsored, planned, and conducted, the winning candidacy of the First Babson Mayor to reign at a Babson Winter Carnival. With six candidates in the running for the coveted position, SAM's DUKE FAROUK, Fred Leighton, became "Mr. Spirit of 1958" and proved his point that Pleasure Mixes With Business.

To supplement speakers, panels, and clinics, the members attended five field seminars including Bethlehem Steel Company's Quincy Shipyard, General Motor's Assembly Plant in Framingham, and Sanborn Company of Waltham, manufacturers of electrocardiogram and medical equipment.

In conclusion, S.A.M. has had a very successful and profitable year. This is indicated by the fact that the Babson chapter is FIRST IN THE NATION in performance rating. This rating is based on a competitive program conducted among the National Organization of 131 College and University Chapter in the Western Hemisphere. This is in keeping with the Chapter's idea that "BETTER ORGANIZATIONS BUILD BETTER MEN," and we of S.A.M. have attempted to prove this contention by actions.
OF MANAGEMENT

Fourth Row—Schwarzshaupt, J.; Kuck, F.; March, G.; Atherton, J.; Riley, R.; Both, S.; Ellingwood, E.; Heap, A.; Wardell, R.

Officers, Seated — Raymond St. George, President and Nathaniel Wright, Vice-President. Standing—Randolph Goodwin, Treasurer, and Robert Carroll, Secretary.
Members of the club, both foreign and American, meet to develop interests in international affairs. The club hopes that these interests, in turn, will inspire keener understanding and better relations between all countries.

People contributing towards this goal throughout the past year have included: Dr. John Rueling, a lecturer and authority on African affairs—"South Africa Today;" Mr. Bertrand Cannfield of the faculty—"Russia 1967;" Dr. Edward Katzenbach, defense program director at Harvard University — "Outer Space, Russia's Challenge and American Response."

The club is presently considering affiliation with the World University Service, an organization which each year aims at co-ordinating the efforts and contributions of innumerable students and teachers from all continents of the world in a united enterprise toward the greater well being of university communities everywhere.

To have a good balance among its activities, the club tries to organize a varied social program. The social highlight this year was a dinner dance at one of Boston's famous nightspots.

Faculty advisors for the club are Dr. Raymond Wheeler and Dr. John Gibson.

INTERNATIONAL RELATIONS CLUB

The purpose of the Babson Theatre Guild is to prepare a show for the annual Winter Carnival, and to participate in dramatic productions of neighboring colleges.

This year, the largest acting and production crews ever assembled at Babson, combined their talents to present "Call Me Madam," by Irving Berlin, to the holiday audience. The show was presented on the afternoon of February 22, to a capacity crowd. Needless to say, the show was a resounding success.

Congratulations are in order to members of the Lasell Dramatics Club who exhibited not only talent, but beauty also, on the Babson stage. A special thanks to Lydia Lloyd Foster for her very able direction.
Under the able leadership of Mr. Frederick Harris, the Babson Glee Club had its most active year. At such important occasions as Founders Day, Honors Day and Commencement exercise, the Glee Club sang to appreciative audiences. The Winter Carnival Formal dance was further enlivened by an informal show put on by various members of the Glee Club. It was quite evident from the immediate response to any requests made from the audience that the “club” had made considerable preparation for such events.

With an ever-increasing membership, the Glee club is rapidly becoming one of the finest organizations on campus.

Officers, William R. Leonard, President and Peter B. Wilson, Vice-President

Glee Club

PHOTOGRAPHY CLUB

The Babson Photography Club has been growing steadily since its reorganization two years ago. The club is the chief source of photographic work on the campus, helping organizations like the Babsonian.

One of the outstanding accomplishments of the club is construction of their new darkroom in the basement of Coleman Hall. It is up to professional standards in all respects.

There is an excellent opportunity for students to practice their present hobby, or develop a new one by participating in this active organization.
During the Fall term, the club sponsored the semi-annual blood drive and Ivy Limb project. This blood drive will be remembered as the one won by Babson Institute from Pine Manor.

The highlight for the Winter term was the magic show “Play for Your Life” put on at the open meeting January 20, 1958 by Mr. Thomas Call who is connected with the Liberty Mutual Insurance Co. The Suite Party at the Winter Carnival took care of the social activities for the term. It was a big success.

With the Spring term, we saw a new drive added to the public service activities of the Vet’s Club. This was the Tuberculin Test put on by the Norfolk County Tuberculosis and Health Association in the Cup n’ Saucer. In April we saw the defeat for the first time of Babson Institute by Pine Manor in the Blood Drive. Miss Carol Munsel was on hand on Honors Day to receive the trophy from Bill Allan and a kiss from Roger W. Babson himself.

The new officers Bob Roberts, Bill Allan, Ken Bennet, and Frank Campinell all hope to make the school year as big a year or bigger than this one.

VETERANS CLUB

BUSINESS ECONOMICS CLUB

The Business Economics Club was organized by Dr. Genovese and a handful of interested students to further information about current news in economics. In its last three years, the club has made many interesting programs and speakers available to the school along with building itself into one of the most respected organizations on campus. It is open to students in all fields who are interested in hearing speakers, seeing films and discussing economic problems and developments. Special thanks are extended to all the club officers who led the organization to its most successful year on the Babson campus.

Club Officers: James Bushini, Vice-President; Morton Strauss, Secretary; Dr. Frank Genovese, Advisor; Herb Konowitz, President and Robert Randall.
Having a unique distinction of being the only organization on the Babson campus comprised solely of women, the Student Wives had a highly enjoyable and contributory year. The square dance was "lots of laughs" and met with fine cooperation on the part of the Institute. Frequent meetings provided the occasion for comparison of domestic problems and anecdotes. The club aided the Charity Bazaar at Spring Carnival by selling chances for a pair of Red Sox baseball tickets. With the highest membership since its inception, the Student Wives Club longs for bigger and better things in the future.

Refreshments are served at Student Wives get-together

STUDENT'S WIVES CLUB

Front Row, L-R—Peg Moreland, Joyce MacLean, Ann Barry. Back Row—Jeanette St. George, Martha Randall, Carol Demarest, Cynara Parrot, and Mrs. Henry Kriebel
THE NEWMAN CLUB

The Babson Newman Club is a Roman Catholic Club of culture and fellowship that has as its purpose a deepening of the spiritual enrichment of the temporal lives of its members through a program of religious, intellectual and social activities, to weld the Roman Catholic students into a common union.

Although this past year was only the second year on campus for the Club and the first year that the organization had a regular meeting night, it proved to be a highly enjoyable and successful one. The program of the Newman Club included: speaker meetings on many varied subjects, informal bi-weekly discussions led by Rev. Stock of the Dominican House of Philosophy in Dover, and communion breakfasts.

The Club rounded out its year with a booth at the Spring Carnival charity drive, a communion breakfast and an open school meeting at which Father Norman J. O'Connor, a renowned jazz expert, spoke.

Standing — Robert Paluszka, Vice President and Raymond Cotta, Secretary. Seated—Leo Peul, President.
"If it wasn't for the weekends I'd be a nervous wreck." This statement sums up what social life means to the Babson campus. Highlighted by the Winter Carnival this year the entire social calendar was a smashing success.
Looking outside his window at the snow falling a freshman exclaimed, "Bill, where can I get a tuxedo within 24 hours?" It was evident from this remark that the one formal dance of the school year was drawing near.

Winter Carnival was a weekend of whirlwind excitement. The formal affair at the Sheraton Plaza with the Grand March procession excited even the most nonchalant. Fred "Duke Farouk" Leighten was chosen mayor of the campus and resided for the remainder of the weekend. Miss Barbara Hanson was crowned Queen of the Carnival while her escort Mike Krohn cheered his approval.
Queen
BARBARA HANSON
Pine Manor
All Hail The Queen

Saturday the floats were judged with Delta Sigma Pi, the winner. The annual student show "Call Me Madam" was a smash hit. Saturday evening a beer blast was held in Cambridge. A fitting conclusion to the terrific weekend was a "splash party" in the Babson pool. By this time most of the participants were so tired they were relieved to begin classes on Monday. That is, if they could muster the energy to move from their rooms. If they couldn't, dreams of the upcoming Spring Weekend consoled them.
Truly a most Memorable Occasion

Le Grand March commences

Visions of grandeur beset Jim

Ralph Stuart's orchestra plays as we sway

But, what happened to Lou?
North gets into Dixieland mood...

Dorm Parties Par Excellence

The traditional dorm parties are always a highlight of the carnival festivities. Park Manor, South and North all had jazz sessions Saturday afternoon before attending the annual School show. Three bands were provided for dancing and listening pleasure. Also novelties and prizes were given to lucky participants.
Don't clutch... just don't think

The downbeat fellas.

In its third year of intercollegiate competition, the Varsity Soccer team ended the season with very unfavorable results. Much was expected from the players, since their first game resulted in a decisive victory over Curry College with a score of 5-1. Much coordination and team play, supplemented by a general school spirit, were observed throughout the contest. However, repeated injuries, constant casualties, and lack of a second string, inflicted severe damage to the overall efficiency of the team. The inevitable result was that only more victory was achieved out of the remaining seven games. Despite the organizing ability and leadership of co-captains Rafael Yanes and John Abbe, the team was unable to maintain a winning string.

The backbone of the team was composed of Bob Carroll on the defensive line and Rafael Yanes in the offensive. Other outstanding players were Adrian Hesp, Alfonso Rey, Milo Escobedo, Dolph Hanner, and Ken Gould.

Although five lettermen will not return for the coming season, the team is confident that there will be considerable improvement over this year's scoreboard.

with an international flavor

Co-Captain Abbe kicks ball out of danger area.
Babson scrambles with New Bedford for possession of ball.

Co-Captain Yanes positions in on opposition goalie.
With a loss of most of the previous year's nucleus, the basketball team had a poor season. However, there were several highlights including the game at Boston Garden where the "Beavers" defeated a good Boston Teachers team before over 5,000 fans. In this contest Dick O'Meara scored a basket with two seconds to play giving Babson a 74-73 victory. In many other games the team was in the thick of the game until a lack of reserves spelled the difference in the final half. Because of an unusual amount of injuries and academic ineligibility of several key men, the "Beavers" generally played with an undermanned squad.
Babson is a new

Individually, Co-Captain Richie Kirschbaum broke the season point average, scoring over 20 points per game. Co-Captain Bob Carroll played a fine defensive game and was the team’s playmaker. Co-Captain elect, Dick O’Meara, was second high scorer, scoring better than 18 points per game. Joe Sweeney led the team in rebounds. While Ed Rosenthal, Elliot Mahler, Pete Wilson and Ken Palmer made fine contributions.

Coach Jim Tedesco should be congratulated for always giving his best in the face of many disappointments that would try the patience of many a coach. The managers were Joe Jezierski and Bill Brickelmeyer.

With the support of several men who did not play this year plus the return of five lettermen, the outlook for the 1958-59 season is very bright. There will also be a new gym and this should encourage a larger turnout than has been the custom in previous years.

HOCKEY

Face-off at Babson end of rink

The Babson Hockey team under the captaincy of Earl MacGillivray completed this past season with a 6 won and 6 lost record. The highlight of the season was a 9-5 victory over Bowdoin at Bowdoin’s brand new outdoor rink. The game was played during the Winter Carnival week-end. Other wins were recorded over Worcester Polytechnic twice, Merrimack twice, and Nichols Junior College. On the other side of the ledger losses were encountered by A.I.C., Harvard J. V.’s, Northeastern Freshman, Boston College Freshman, and Holy Cross, to whom the team lost in overtime. The caliber of opponents was better than the previous season and Coach Thomas assisted by John Abee, called the season successful.

Mike Brown runner-up in scoring to Mike Tyson will be missed greatly due to graduation, as Brown was a 60-minute man. Bill Osgood, Paul Hersey, Dan Whalen, George Yorks and Gary Lloyd will also be missed. This year the team has Captain-elect Charlie Crane, Mike Tyson, Dean Benson, Paul Hyatt, Jack Grant and young hopeful stars Sam Telerico and George Doherty to form a nucleus. The goal-tending job will be the big problem, but will be strengthened by a junior now in school. John Abee is going to take over full time coaching and we wish him and Captain-elect Crane the best of luck for the coming season.

GOLF

The Babson golfers fresh from a precedent setting tour of North Carolina finished the 1958 season with a 2 wins and 6 losses record. Of the six losses, four were by one point. This shows that the "Golfers" are on their way.

Led by Captain Buzz Heim, with a record of 5 wins, 3 losses (two on the 18th hole) and coupled with the help of Dana Kellenberger, Dave Enroth, "Waxy" Johnson, Captain-Elect for 1959, Jack Garrity, John Govan, Bill Gould and the steady George Johnson, the boys improved with each match.

Buzz Heim missed qualifying for the New England Championships by one stroke. The championship was played under very adverse and severe conditions.

In 1959, the team will again journey to North Carolina for matches with Davidson, Furman, East Carolina State and Guilford College, closing with practice sessions at Pinehurst, N.C.

TENNIS

When thinking back on the 1958 tennis season, it will be remembered and characterized by several features. The heart which the men put into their playing held the team up despite extensive injuries and the ineligibility of several players.

Despite a slow start, during which time everyone was attempting to get his game into shape, the team finished strongly winning four out of its last six games.

The Beaver netmen were led for the season by Captain Bob Carroll and Adrian Heap. The two combined together for 19 victories, providing the team with a winning margin in many matches.

The Sailing Club completed another active and participating year with twenty-five members. The lake was the scene for many a pleasant afternoon of sailing.

The sailing team, made up of the better skippers and crews of the club competed in both the fall and spring intercollegiate meets. In ten meets the team competed against such colleges as Harvard, M.I.T., Tufts, B.C., B.U., Brown, Bowdoin, Northeastern, Yale, and Dartmouth. Although not winning any meets, the team always made a good showing and had several seconds to their credit. Top skipper of the season was Commodore Fred Leighton with Wes Wheeler and Chris Sheppard right behind him. These latter men along with Neal Cutler and Fritz Foster received their varsity letters.

SAILING

Officer, Seated—Wesley Wheeler and Gordon Lowe. Standing—Frederick Leighton, Commodore.

The “Punchbowl,” the most coveted intramural sports prize was won for the second straight year by Park Manor South. There was a terrific two-way battle between the victor and Bryant, finally decided when South swept the last event (ping pong) after Bryant had captured the softball title to forge into the lead. This year there was more participation coming from the dorms than they could not win. This fact exemplifies the true spirit of intramural sports, for participation not victory aids the growth of an individual's character.

---

PUNCH BOWL
When South and Park Manor met in the final game of the season, the intramural football title rested in the balance. After 60 minutes of hard hitting defensive play, the score was the same as at the outset, 0-0. Therefore, both teams had to settle for a championship tie.

This year all the teams were evenly balanced and each game was close. Individual standouts were plentiful. Park Manor had Weeks, Elwell, Holmes and Heim. South was led by Hersey, Biladeau, Mahler and Leighton. Other fine performers in the league were Telerico, Miskunas, Crane, Todd, Bolger and Baker.

**INTRAMURAL FOOTBALL AND BASKETBALL**

Up-up and away

Half time strategy doped out by Manorites
Basketball, the highlight of the winter sports season, saw one team completely dominate the league. The combined Publisher-Coleman team only lost one game throughout the season. The Pubmen were led by "Big" Bob Long, "Black" Jack Morris, Don Bolger, and "Waxy" Johnson. The pre-season forecast indicated a close three cornered fight with Manor and South giving Pub-Coleman heated opposition. However, the well-balanced Pubmen clearly showed their superiority. Each club had their share of outstanding hoopers. Amongst them were Senegal, Finn and Libby of Bryant, Miller, Cushman and Whitehead of South, and Elwell, Karapelou, Cogardus, Cady and Linstead of Park Manor and North respectively.

Intramural Swimming

Let's keep that lead.

Men, we need these points to stay in contention.

On your mark, get set, GO.
BOWLING

Swimming and Bowling are two sports in which everyone can participate. This year Bryant Hall won both of the titles. The swimming meet was a nip and tuck affair with Bryant besting South on the strength of a superb individual performance by Gary Burnham. Mike Tyson and Ed Rosenthal closely followed Burnham in individual points. Gary later received the Ewart Trophy symbolic of the outstanding swimming performance of the year.

Bowling produced a large group of 100 plus keglers. Bryant swept all of their matches in convincing style. Park Manor was second dropping one decision in four matches.

The relaxation and enjoyment gotten from bowling always seemed to bring out a large turnout and the atmosphere thereby was conducive to peak performances.
Runner is out by four steps.

As the softball season commenced, the question of foremost importance was, could Bryant overtake South and gain the "punchbowl" after a long uphill battle? Bryant did win the softball title but not by enough points to offset the lead South had previously built up over the year. Outstanding swatters were Crane, Todd, Carlson, Boutilier, Elwell, Buchanan and the Morris twins. Fine pitching performances were turned in by White, Tarlow and Kirschbaum. Many of the top ball players will be back next year.

There she goes.

INTRAMURAL SOFTBALL

Nice step, Frosh
It's a base hit to center.
I've got it.
Safe by a whisker.
After A.D.S. had held a monopoly on the Tri-Fraternity cup for five years, it took a strong and determined AKPsi contingent to wrest the title away.

Delta Sig took an early jump in the competition by winning the football title. The Purple and Gold held off a desperate bid by the Blue and Gold of AKPsi when in the waning moments of the game, Ed Shulkin, intercepted a Karapelou touchdown-bound aerial.

From this point an underdog AKPsi group swept the basketball title by defeating Delta Sig 30-28 in the final game. Buzz Heim was the offensive star flipping in eight points while Pete Karapelou dominated both backboards.

Softball settled the issue as the Blue and Gold came up with a three run rally in the seventh inning to overcome a previous 7-6 lead of Delta Sig.

The Tri-Fraternity Athletic League adds a great deal of healthy rivalry and encourages each Brother to give his all for the glory of his fraternity.

SPORTS CANDIDS
SPECIAL Events

During the course of the school year, certain occasions are of an extraordinary nature. Some of them are not included in the calendar of school functions. Others such as Honors Day and Graduation exercises are of such a great significance that they are classified as special events of the year.
All join in the Christmas spirit.

And what would you like for Christmas, young fella?
The Christmas season is a joyous time for most Americans. However, there are some because of circumstances beyond their control who do not look forward to Christmas time. Amongst these are numerous orphans throughout the country. But because of the thoughtfulness of Alpha Delta Sigma, a group of orphans from the Pomeroy Settlement House in Newtonville have an annual Christmas Party and receive gifts contributed by the brothers. Projects such as these certainly are rewarding both to the children and the fraternity. By spending a little time, something we all can contribute, the joy of the Christmas season was enjoyed by the children. They are truly a deserving group.
MAYORALTY

"Duke Farouk" became mayor of the Babson Institute campus in a precedent making rally, during Winter Carnival week. This added feature to an already holiday atmosphere turned out to be a huge success. Many organizations lent their support in order to make certain the mayorality contest had the support of the student body.
HONORS DAY

Once each year the outstanding accomplishments both scholastically and extracurricularly are rewarded by public acknowledgment at the Honors Day assembly. This year we were fortunate enough to have our founder present at the awards ceremony. Congratulations are in order to all the winners.

Message from Your Editor:

The 1958 yearbook has broken away from past tradition, by being published in September. This was done with the intent of making the "Babsonian" as complete as possible. The decision of whether we have achieved our purpose rests with you the students, since the yearbook is Babson, and all its component parts.

The staff this year was small in comparison to staffs of previous years, nonetheless each man who volunteered his services, made a worthwhile contribution. My conscience necessitates that I give special mention to Joseph J. Jezierski, Jr., who typed a major portion of the copy, and also aided in the creation of the same, and to Robert Vantine of the Delmar Publishing Company. His continual assistance in layout, copy, and all other phases of yearbook creation was extremely invaluable. Joseph S. Cappiali, the Babsonian Business Manager, proved to be a top notch administrator and co-ordinator, and his staff namely Morten A. Strauss and Fred S. Kuck Jr. performed as outstanding account executives. Lastly I would like to acknowledge the work of John Wagerer of the Photography Club. John was the individual who took a great majority of the candid shots around campus. Mr. Earl Bowen served admirably as faculty adviser.

Therefore, the 1958 Babsonian is presented to Babson Institute and its students, from the men whose hard work made the yearbook possible.

Why Babson's Is A Personal Investment Service

8 Benefits
You Receive From
BABSON’S
PERSONAL INVESTMENT SERVICE

1. Original Estate Survey
2. Personal Program That Fits You
3. Day-by-day Supervision
4. Investment of New Money
5. Foresighted Personal Advices
6. The Famous Babson chart
7. Informative Weekly Letters
8. 55 Years' Experience

Your investment problem is as distinctive and exclusive as your fingerprints. Without knowing your individual needs no one is qualified to recommend any security to you.

That is why Babson's Personal Investment Service surveys your estate and then gives you a plan and program that fits you and the current economic situation.

Babson's also gives you broad, risk-reducing diversification. In addition, our Personal Program gives you day-by-day supervision of your registered securities—you receive immediate and personal advice when we believe a switch is advisable.

And, very important, our plan provides for systematically shifting common stocks into bonds, high grade preferred stocks and cash as common stock prices rise.
