These upgrades mean improved borrowing rates that will save the College money moving forward.

$$449,000$$ TOTAL DONATED SINCE THE FME PROGRAM BEGAN IN 1999

FME is an award-winning undergraduate course at Babson through which all first-year students launch and run an actual business. Students donate all business profits to local organizations—more than $17,000 during the 2014–2015 academic year. The 500+ students taking the course also donated their time, volunteering at a range of community service organizations.

V3LO was an FME business that used 3-D printing to create an organizational accessory that held keys, cards, and headphones while also serving as a bottle opener. This was the first FME business to use 3-D printing to manufacture its products.
COLLABORATING WITH OUR COMMUNITY

AT BABSON, WE KNOW THAT COLLABORATION ACROSS DISCIPLINES GENERATES CREATIVE SOLUTIONS TO CHALLENGING ISSUES. THROUGH PARTNERSHIPS WITH LOCAL ORGANIZATIONS, WE ARE ABLE TO MAKE A POSITIVE IMPACT IN MORE CORNERS OF THE COMMUNITY.

For the second year in a row, the town of Needham worked with a team of seven Babson students on a Management Consulting Field Experience (MCFE) project. The students analyzed the town, residents, and businesses during the course of a semester and presented a brand concept and implementation strategy to boost business in downtown Needham. Ideas included a family film festival in town hall, an “I AM NEEDHAM” brand campaign, and a “merchant toolbox” with resources for local business owners.

The Three College Collaboration is a joint effort among Babson, Olin, and Wellesley colleges to develop interdisciplinary approaches to teaching and problem solving. Integrating the unique disciplines of each of these colleges—business, engineering, and liberal arts—and applying them to real-world issues result in a positive impact on the community.

Babson Board Fellows program places Babson MBA students and recent alumni volunteers as nonvoting members of local nonprofit boards. Nonprofits benefit from fresh insights and student contributions to board committees and special projects while students gain exposure to board-level decision making, mentorship, and project experience.

FOR THE 2015–2016 PROGRAM, BABSON BOARD FELLOWS IS PARTNERING WITH:
Belmont World Film / Cantata Singers / Friends of the Boston Harbor Islands / Partners for Youth with Disabilities / Special Olympics of Massachusetts / Wellesley Cancer Prevention Project
