2015 SUMMER SESSION FINANCIAL AID APPLICATION

Please find listed below the process for applying for need-based financial aid if you plan to take a Summer Session 2015 course at Babson and need financing options. Please note: Freshmen in the G.A.P. program who first enrolled at Babson in January 2015 do not need to complete this form; your financial aid for summer 2015 has already been packaged and can be viewed on the Babson Hub.

- Complete page 2 of this form and submit it to SFS by April 1, 2015. You must also complete your 2015-2016 financial aid application by the same date. For planning purposes, you may want to meet with your financial aid counselor prior to April 1st. Based on your enrollment plans, your counselor will let you know what funding you qualify for and if any additional out of pocket payment will be needed from you. You can drop in during their office hours or if you prefer, call ahead to schedule an appointment:
  
  Somaly Heang (last names A – G): Wednesday, 9:00 – 12:00 and Thursday, 2:00 – 4:30  
  Michelle Clifton (last names H – N): Monday, 9:00 – 12:00 and Wednesday, 2:00 – 4:30  
  Kate Mills (last names O – Z): Monday, 2:00 – 4:30 and Thursday, 8:30 – 11:30  

- As mentioned above, applicants must complete their 2015-2016 financial aid application by April 1, 2015. Your 2015-2016 financial aid package, including summer, will be available by April 15, 2015. You can confirm the status of your 2015-2016 file using the Babson Hub.

- Payment for summer, including any financial aid, is due on Wednesday, May 1, 2015. Your summer registration will be at risk of cancellation prior to the start of classes if payment is not received on a timely basis.

- Funding is limited; students who plan to take 6 or more credits during the summer will typically have more financial aid options available to them as many programs require half-time attendance (6 or more credits). We are unable to provide institutional funding for repeated or substituted courses due to a failure or withdrawal from a course.

  Students who receive full-tuition scholarships (Posse, Diversity Leadership, Weissman, Global Scholars, Enrico, Baldwin Richardson, NFTE): Your award covers full-tuition up to 8 semesters, plus two courses.

  Federal Direct Loan: If you will be enrolled in 6 or more credits during the summer and are a U.S. citizen/Permanent Resident, you can borrow through the Federal Direct Loan program.

  Supplemental Loans: If you have borrowed supplemental loans in prior semesters, that may be an option for summer as well. You can find additional loan information on our website at

________________________________________

I understand that Babson grants and scholarships awarded for the summer will reduce the amount of funding I would normally qualify for in an upcoming fall/spring semester if I attend Babson for 4 full academic years. This would not apply to transfer students taking the credits they need to graduate. It also does not apply to students receiving full-tuition scholarships: Posse, Diversity Leadership, Enrico, Global Scholars, Baldwin Richardson, and NFTE since they are allowed 2 additional courses of tuition funding beyond the standard eight semesters.
