A MESSAGE FROM THE PRESIDENT

Dear Degree Candidates, Families, and Friends:

On behalf of the faculty and members of the Board of Trustees, I invite you to join us at the Babson College Commencement on Saturday, May 19, 2012.

I am certain that all of you have been looking forward to this day with a great degree of anticipation. For our students, Commencement brings years of hard work and study to a close, and marks the first step toward new and even greater challenges. Parents, families, and friends can be genuinely proud, as we are, of all that they have accomplished in attaining their degrees.

This information booklet is intended to help you fully enjoy this wonderful celebration. I congratulate the graduates and look forward to the future success of our newest alumni.

Sincerely,

Leonard A. Schlesinger
President
GENERAL INFORMATION

Congratulations to degree candidates and their families for reaching this major milestone. We recommend that degree candidates and their guests read the important Commencement-related information in this booklet.

It has been prepared in an effort to anticipate as many questions as possible. We welcome your inquiries as other questions arise (see Important Phone Numbers, p. 10). Please see the diagram on page 18 for an overview of the tent setup.

BACHELOR’S DEGREE CEREMONY

Babson’s 93rd undergraduate Commencement will be held on Saturday, May 19, 2012, at 10 a.m. The academic procession for Commencement will leave from the Webster Center and begin promptly at 9:40 a.m. The exercises will be held in the tent on the Upper Athletic Fields and will last approximately two hours. More than 3,000 guests will attend this event. Family and guests with tickets, attending the undergraduate ceremony, should be seated by 9:30 a.m.

IMPORTANT: Ticket holders must be at the tent by 9:50 a.m. to be guaranteed a seat under the tent. Guests also may view the exercises via live broadcast in the Carling-Sorenson Theater.

For family and friends who cannot attend, the ceremony can be viewed online. Please visit the Commencement website, www.babson.edu/commencement, for more information.

Organizing a procession of more than 450 degree recipients takes at least one hour. Therefore, we ask that all degree candidates assemble on the track in the Webster Center by 8:45 a.m., where refreshments will be available. The class photo will be taken in the Staake Gymnasium at 8:30 a.m., just prior to assembling for the procession.

Please be aware that the Commencement of the F.W. Olin Graduate School of Business at Babson College also will be held on May 19. This ceremony begins at 2:30 p.m. in the Commencement tent on the Upper Athletic Fields.
GUEST SERVICES

Babson hosts, identified by green ribbons on their name tags, will be stationed throughout the campus on Commencement day to provide any assistance that may be needed.

Medical services will be available at the first-aid vehicle, located on site.

Water stations will be located at several points around the Commencement tent.

Concession tents selling food and beverages will be open from 8 a.m. to 3:30 p.m. Diploma frames and Babson clothing and gifts can be purchased on the Upper Athletic Fields. The bookstore in the Donald W. Reynolds Campus Center will be open on Saturday, May 19. Please check the bookstore website for hours of operation at http://babson.bncollege.com.

Flowers, sponsored by the class of 2013, will be available for purchase at the tent area for your convenience.

Restrooms are located on both floors of the Webster Center. In addition, there will be portable facilities close to the Commencement tent area. Facilities are handicap accessible.

Accessibility: Babson College is committed to providing accommodations for individuals with visual, hearing, and/or orthopedic/mobility-related impairments.

• For individuals with an orthopedic/mobility-related impairment, special drop-off locations are located on the Coleman Hall side of the Upper Athletic Fields and at the Webster Center. Directional signage will be posted. Golf carts will transport guests to the tent from these locations, and the driver of the car will be directed to the nearest parking lot.

• For individuals with orthopedic/mobility-related impairment, reserved seating is available to accommodate any guest with a mobility assistance device. Please call the Events Management Office at 781-239-5265 to make arrangements, no later than Friday, April 27, 2012.

• For individuals with a hearing impairment, assistive listening devices will be provided upon request. Please call the Events Management Office at 781-239-5265 before April 27, 2012, if you have questions regarding any other accessibility issues, or would like to request an accommodation not listed.
Lost and found articles will be held by the Office of Public Safety at 781-239-5555.

Photographs: Three professional photographers will take pictures of each graduate, first before going on stage, second when they cross the stage, and third, as they come off the stage with diploma in hand. We ask guests to remain in their seats. Within approximately two weeks, you will receive proofs of the photos and a form to place an order with Grad Images. If you do not receive proofs and an order form, please call the company directly at 1-800-261-2576 or visit them online at www.gradimages.com.

A class photo will be taken prior to the ceremony at 8:30 a.m. in Staake Gymnasium. For ordering information, please contact Panfoto at www.panfoto.com for more details.

Videographer: You can purchase a professionally produced DVD of the undergraduate commencement ceremony. You will receive information from GradMemory on how to purchase your DVD, which can be personalized with your name and picture for a unique keepsake. If you do not receive this information, you can contact GradMemory directly at 1-866-977-4723 or visit them online at www.gradmemory.com.

Cellular phones: As a courtesy to others, we ask that all cellular phones be muted during the ceremony. Those wishing to use their phones may leave the tent to make calls.

Pets: With the exception of visual assistance dogs, pets of any kind are not allowed in the Commencement tent. We ask that you leave pets at home on this day.

That Special Goodbye: This Babson tradition allows faculty, administrators, undergraduates, fellow graduates, parents, and friends to send on congratulatory notes and cards to graduates at the ceremony. Your message should be in a sealed envelope, with the first and last name of the candidate, and clearly marked Undergraduate School. The Events staff will place your envelope on the candidate’s chair before the start of the ceremony. Please provide a return address. Only standard-size greeting cards will be accepted. Do not send packages or flowers, as they are difficult to handle.

Submit your card or note no later than April 27, 2012, to:

Babson’s initiatives in environmental sustainability bring Entrepreneurial Thought and Action® to the forefront of global energy and environmental issues. And, Babson is a leader in the field of corporate social entrepreneurship and environmental sustainability. Our energy efficiency effort has been ongoing for more than 20 years.

We also have taken strides to go green around Commencement and are excited to share the following:

• All degree candidates will be wearing eco-friendly caps and gowns made from 100 percent post-consumer, recycled plastic bottles. They are made of fabric spun from molten plastic pellets and take an average of 23 bottles to make each gown.

• Babson diplomas are printed on cotton parchment, which is 100 percent cotton rag paper made from recovered tree-free fibers through cotton ginning waste and textile cuttings. The manufacturing plant is located in Massachusetts.

• Every attempt is made to use recycled paper for our printed programs, tickets, booklets, and other materials.

• We have greatly decreased our paper usage by using e-communications for the majority of our communications regarding Commencement.

• The cups, plates, napkins, and cutlery used at the receptions are biodegradable.

• We offer water stations around the Commencement tent with biodegradable cups to decrease the amount of water bottles

**TICKETS**

Tickets are required for ALL guests to gain entry to the tent. For Commencement 2012, each degree candidate will receive eight tickets for guest seating under the tent. For guaranteed seating under the tent, ticket holders must be at the Commencement tent on the Upper Athletic Fields by 9:50 a.m.
Tickets are to be picked up by prospective graduates beginning Monday, May 7, through Friday, May 11, and Monday, May 14, through Friday, May 18, in Cruickshank Alumni Hall. Candidates are welcome to bring as many guests as they wish to view the exercises from outside the tent or inside the Carling-Sorenson Theater via live broadcast. There is ample room, and we have found that many people enjoy the freedom these options allow.

**ANNOUNCEMENTS**

Personalized announcements may be purchased online by our vendor, Balfour, at www.balfour.com or by calling 1-877-225-3687.

When purchasing, be sure you order announcements for the appropriate ceremony (undergraduate versus graduate). Allow three weeks for delivery. Please note: Announcements are not considered tickets and will not gain you access under the tent.

**WEATHER INFORMATION**

Commencement will be held under the tent, rain or shine, in order to accommodate a larger audience. Since New England weather can vary in May, we ask our guests to dress appropriately for the conditions. Candidates and guests must provide their own umbrellas and raincoats. Participants and guests should come prepared if inclement weather is expected on Commencement day.

**IMPORTANT:** In the event of extremely severe weather, the tent walls may be put in place, prohibiting good visibility from outside the tent. Again, each candidate will be given eight tickets for guest seating under the tent.

Regardless of weather conditions, Babson will provide a live broadcast of the ceremony in the Carling-Sorenson Theater for guest viewing. In addition, the ceremony can be viewed online. Please visit www.babson.edu/commencement for more information.

In the event of an extreme weather emergency, please refer to our website or the Babson College Information Line, 781-239-INFO (4636), for detailed information.
COMMENCEMENT CLEARANCE PROCESS (CCP) AND ACADEMIC REGALIA

In order to participate in Commencement, all degree candidates must log into the Babson Portal, where there will be a designated portlet for the Commencement Clearance Process. Here, candidates will view and complete the requirements necessary to pick up their cap and gown and participate in the ceremony. Requirements include fulfilling financial obligations, surveys, laptop return, etc. This site will be made available to degree candidates on May 7, 2012, at 2 p.m.

Caps, gowns, and tassels are furnished by the College at no charge to graduates and may be kept as souvenirs of this memorable occasion. Regalia will be available at the bookstore the week of May 14, Monday through Friday. Please check the bookstore website for hours of operation at http://babson.bncollege.com. **Remember: Candidates cannot pick up their regalia until all requirements have been fulfilled through the Commencement Clearance Process.**

All degree candidates will be wearing eco-friendly caps and gowns made from 100 percent post-consumer, recycled plastic bottles. They are made of fabric spun from molten plastic pellets and take an average of 23 bottles to make each gown.

ACADEMIC PROCESSION

The academic procession will form on the track inside the Webster Center beginning at 8:45 a.m. It will proceed in two files to the tent via the walkway beside the turf field. The order of the procession is as follows: chief marshal, members of governance, faculty and staff, valedictorian, academic honors program graduates, graduating seniors, and the platform party.

The formal ceremony begins when all members of the platform party have reached the stage.
The undergraduate academic honors printed in the Commencement program are based on averages at the end of the student’s last semester. Summa cum laude is signified by a gold tassel; magna cum laude is signified by a white tassel; and cum laude is signified by a red tassel. The cumulative grade point average is calculated upon completion of all degree requirements.

- Cum laude—3.30 to 3.49 cumulative grade point average
- Magna cum laude—3.50 to 3.74 cumulative grade point average
- Summa cum laude—3.75 to 4.0 cumulative grade point average

The valedictorian honor is awarded to the student with the highest academic rank in the Class of 2012, which includes September/December 2011 graduates. This person has the honor of leading the graduates in the academic procession and is the first to receive a diploma. The valedictorian wears a gold cord.

The Honors Program offers enhanced curricular and cocurricular opportunities to academically accomplished students. The centerpiece of the program is the Honors Project. For two semesters, students work closely with a faculty adviser to engage in independent research in an area of their own choosing. The resulting project is an original scholarly contribution to the student’s field of inquiry. Students who fulfill all of the requirements of the Honors Program receive a degree with honors, which constitutes the highest academic distinction awarded by the College to graduating seniors. The Honors Program students wear a bronze medallion.

On Commencement day, all parking areas except for the reserved parking around the Webster Center will be available to guests. While at first glance Babson may appear to have more than adequate parking, we assure you that every lot is full on Commencement day. Some parking areas are a 10- to 15-minute walk to the ceremony site; therefore, we recommend that guests arrive early.

Babson College is located in Wellesley, Massachusetts. The campus is approximately 14 miles west of Boston. If you drive, allow ample time to reach the campus. Travel on campus may be slow because of heavy traffic. Please do not block access roads around the residence halls as seniors will be vacating the residence halls immediately following the ceremony.

Congratulations on your graduation from Babson! You now are part of the Alumni and Friends Network, consisting of more than 35,000 Babson entrepreneurial thinkers and doers in 50 states and 110 countries. You also automatically become a member of the Babson College Alumni Association, which works with the Alumni and Friends Network to provide opportunities for alumni to remain connected to Babson.

As part of this extended community, you have access to benefits, services and leadership opportunities designed to add value to your professional and personal life. A detailed description of these benefits can be found on the Babson alumni website, www.babson.edu/alumni. You will find information on the website about alumni events, College initiatives, campus news as well as career and volunteer opportunities. The Babson Alumni and Friends Network provides:

- Valuable resources including Career Connections, our alumni job search tool; obtain free access to many of the most popular library databases; advertise in the alumni business directory.

- Alumni events as well as enrichment, lifelong learning, and service programs.

- Volunteer opportunities with an alumni regional group or club or one of many Babson programs including Coaching for Leadership and Teamwork Program, women’s leadership, and undergraduate or graduate admissions.

- Ways to stay connected with your peers via the alumni directory where you will be able to update your contact information at any time online. As a new graduate, you will begin receiving Babson Magazine on a quarterly basis and a monthly e-newsletter. Both publications will include College news and strategy updates, interesting feature stories, and alumni news.

We also hope to see you on campus for Back to Babson homecoming and reunion weekend held annually each fall. Be sure to mark your calendar with this year’s dates: September 28 and 29, 2012.

Congratulations again on your accomplishments at Babson and we look forward to helping you stay connected with Babson, and the Alumni and Friends Network.
The Donald W. Reynolds Campus Center includes the bookstore, a café, Dunkin’ Donuts, meeting rooms, and comfortable gathering spaces, and offers a warm and informal public setting that supports a sense of community.

The Arthur M. Blank Center for Entrepreneurship is the home of Babson’s entrepreneurial studies program. Facilities include a 40-seat room wired for teleconferencing, a cyber forum, and a 12-seat room where visitors can view videos.

The Glavin Family Chapel is an interfaith facility where members of the College community may practice their faith, seek inspiration and guidance, and find peace in the quiet of a sacred space.

The Richard W. Sorenson Center for the Arts is a multipurpose facility featuring the 450-seat Carling-Sorenson Theater, which occupies the principal space in the building. The building also includes practice rooms, dressing rooms, and a rehearsal studio.

The Sorenson Family Visual Arts Center, located in Trim Hall, includes a black-and-white photography lab with darkroom; a 2-D studio for painting, drawing, and liberal arts projects; a 3-D studio with kiln room for clay, pottery, and wood projects; a state-of-the-art multimedia digital lab; and an artist-in-residence studio.

The Stephen D. Cutler Investment Management Center, located in Horn Library, provides resources for understanding, researching, and participating in the field of finance. The center is used by students conducting finance course work and those participating in the Babson Investment Management Association and the Babson College Fund, as well as by faculty.

The Isaac Newton Room (third floor, Horn Library), purchased by Grace K. Babson for the College in 1937, is the actual fore-parlor of the house on St. Martin’s Street, Leicester Square, London, where Newton lived from 1710 to 1725. The original pine-paneled walls, carved fireplace mantel, and period furnishings preserve the atmosphere of Newton’s home.

The Babson Globe is a free-standing globe measuring 28 feet in diameter and weighing 25 tons. The exhibit is located in front of Coleman Hall on Map Hill Drive.

Commencement Tent

Webster Center, student lineup
NOTE: Candidates will proceed across the stage in alphabetical order, using the two paths indicated with arrows. The optimal point for viewing is in the section opposite where your candidate is seated, as they will face that direction when diplomas are presented.

*This is how graduates are normally divided. Please watch for posted signs outside the tent for additional information.
