Dear Degree Candidates, Families, and Friends:

On behalf of the faculty and members of the Boards of Governance, I invite you to join us at the Babson College Commencement on Saturday, May 16, 2015.

Through their commitment to living and learning entrepreneurially, our graduates are ready to take the next step in their life’s journey. This is a day of celebration with parents, families, and friends who have encouraged, supported, and believed in the Class of 2015 as they put in the hard work to earn their degrees. We are rightfully proud of their many accomplishments and confident they will use what they have learned and experienced at Babson to pursue their dreams, reach their goals, and impact our society in a positive, meaningful way.

Please refer to this booklet to help you fully enjoy our wonderful commencement celebration. To the graduates, my heartfelt congratulations. You will always have a home here, and we look forward to, and wish you, every success in the years to come.

Sincerely,

Kerry Healey
President
GENERAL INFORMATION

Congratulations to degree candidates and their families for reaching this major milestone. We recommend that degree candidates and their guests read the important Commencement-related information in this booklet.

It has been prepared in an effort to anticipate as many questions as possible. We welcome your inquiries as other questions arise (see Important Phone Numbers, page 10). Please see the diagram on page 19 for an overview of the tent setup.

BACHELOR’S DEGREE CEREMONY

Babson’s 96th undergraduate Commencement will be held on Saturday, May 16, 2015, at 10 a.m. The academic procession for Commencement will leave from the Webster Center and begin promptly at 9:40 a.m. The exercises will be held in the tent on the Upper Athletic Fields and will last approximately two hours. More than 5,000 guests will attend this event. Family and guests with tickets who are attending the undergraduate ceremony should be seated by 9:30 a.m.

IMPORTANT: Ticket holders must be at the tent by 9:50 a.m. to be guaranteed a seat under the tent. Guests also may view the exercises via live broadcast in the Carling-Sorenson Theater.

For family and friends who cannot attend, the ceremony can be viewed online. Please visit the Commencement website, www.babson.edu/commencement, for more information.

Organizing a procession of more than 500 degree recipients takes at least one hour. Therefore, we ask that all degree candidates assemble on the track in the Webster Center by 8:45 a.m., where refreshments will be available. The class photo will be taken in the Staake Gymnasium at 8:30 a.m., just prior to assembling for the procession.

Please be aware that the Commencement of the F.W. Olin Graduate School of Business at Babson College also will be held on May 16. This ceremony begins at 3:00 p.m. in the Commencement tent on the Upper Athletic Fields.
GUEST SERVICES

Babson hosts, identified by green ribbons on their name tags, will be stationed throughout the campus on Commencement day to provide any assistance that may be needed.

Medical services will be available at the first-aid vehicle, located on site.

Water stations will be located at several points around the Commencement tent.

Concession tents selling food and beverages will be open from 8 a.m. to 3:30 p.m. Diploma frames and Babson clothing and gifts may be purchased on the Upper Athletic Fields. The bookstore in the Donald W. Reynolds Campus Center will be open on Saturday, May 16. Please check the bookstore website for hours of operation at http://babson.bncollege.com.

Flowers, sponsored by the Class of 2016 Senior Week Committee, will be available for purchase at the tent area for your convenience.

Restrooms are located on both floors of the Webster Center. In addition, there will be portable facilities close to the Commencement tent area. Facilities are handicap accessible.

Accessibility: Babson College is committed to providing accommodations for individuals with visual, hearing, and/or orthopedic/mobility-related impairments.

• For individuals with an orthopedic/mobility-related impairment, special drop-off locations with golf-cart transportation to the tent are located on the Coleman Hall side of the Upper Athletic Fields and at the Webster Center. Directional signage will be posted.

• Seating is available to accommodate any guest with a mobility-assistance device. Please call the Events Management Office at 781-239-5265 to make arrangements, no later than Friday, April 24, 2015.

• For individuals with a hearing impairment, assistive listening devices (Nady ALD-800) will be provided upon request. Please call the Events Management Office at 781-239-5265 before April 24, 2015, to request a device, to ask questions regarding any other accessibility issues, or to request an accommodation not listed.
Lost and found articles will be held by the Office of Public Safety at 781-239-5555.

Photographs: Three professional photographers will take pictures of each graduate: first, before going on stage; second, when the graduate crosses the stage; and third, as the graduate leaves the stage with diploma in hand. We ask guests to remain in their seats. Within approximately two weeks after Commencement, you will receive photo proofs and an order form from Grad Images. If you do not receive these items, please call the company directly at 800-261-2576 or visit them online at www.gradimages.com.

A class photo will be taken prior to the ceremony at 8:30 a.m. in Staake Gymnasium. For ordering information, please contact Panfoto at www.panfoto.com.

Videographer: You can purchase a professionally produced DVD of the undergraduate Commencement ceremony. You will receive information from GradMemory on how to purchase a DVD, which can be personalized with the graduate’s name and picture for a unique keepsake. If you do not receive this information, you can contact GradMemory directly at support@gradmemory.com or visit them online at www.gradmemory.com.

Pets: We ask that you leave pets at home. With the exception of visual assistance dogs, no pets of any kind are allowed in the Commencement tent.

That Special Goodbye: This Babson tradition allows faculty, administrators, undergraduates, fellow graduates, parents, and friends to send congratulatory notes and cards to graduates at the ceremony. Your message should be in a sealed envelope, with the first and last name of the candidate. The Events Management staff will place your envelope on the candidate’s chair before the start of the ceremony. Please provide a return address. Only standard-size greeting cards will be accepted. Do not send packages or flowers, as they are difficult to handle.

BABSON GOES GREEN

Babson’s initiatives in environmental sustainability bring Entrepreneurial Thought and Action® to the forefront of global energy and environmental issues. We began our energy-efficiency efforts more than 20 years ago, and today the College is a leader in the field of corporate social entrepreneurship and environmental sustainability.

We are excited to share the following ways that we go green at Commencement:

• All degree candidates will be wearing eco-friendly caps and gowns made from 100 percent post-consumer, recycled plastic bottles. The fabric is spun from molten plastic pellets, and it takes about 23 bottles to make each gown.

• Babson diplomas are printed on cotton parchment, which is 100 percent cotton rag paper made from recovered tree-free fibers through cotton ginning waste and textile cuttings. The manufacturing plant is located in Massachusetts.

• Every attempt is made to use recycled paper for our printed programs, tickets, booklets, and other materials.

• We have greatly decreased our paper usage by using e-communications for the majority of our communications regarding Commencement.

• The cups, plates, napkins, and cutlery used at the receptions are biodegradable.

• We offer biodegradable cups at water stations around the Commencement tent to decrease the number of water bottles.

TICKETS

Tickets are required for ALL guests to gain entry to the Commencement tent. For Commencement 2015, each degree candidate will receive eight tickets for guest seating under the tent. For guaranteed seating under the tent, ticket holders must be at the Commencement tent on the Upper Athletic Fields by 9:50 a.m.
Tickets are to be picked up by prospective graduates beginning Monday, May 4, through Friday, May 8, and Monday, May 11, through Friday, May 15, in Cruickshank Alumni Hall. Candidates are welcome to bring as many guests as they wish to view the exercises from outside the tent or inside the Carling-Sorenson Theater via live broadcast. There is ample room, and we have found that many people enjoy the freedom these options allow.

ANNOUNCEMENTS

Personalized announcements/formal invitations may be purchased online by our vendor, Balfour, at www.balfour.com or by calling 877-225-3687. When purchasing, be sure you order announcements for the appropriate ceremony (undergraduate versus graduate). Allow three weeks for delivery. **Please note:** Announcements are not considered tickets and will not permit entry to the tent.

WEATHER INFORMATION

Commencement will be held under the tent, rain or shine, in order to accommodate a larger audience. Since New England weather can vary in May, we ask our guests to dress appropriately for the conditions. Candidates and guests must provide their own umbrellas and raincoats. Participants and guests should come prepared if inclement weather is expected on Commencement day.

**IMPORTANT:** In the event of extremely severe weather, the tent walls may be put in place, prohibiting good visibility from outside the tent. Again, each candidate will be given eight tickets for guest seating under the tent.

Regardless of weather conditions, Babson will provide a live broadcast of the ceremony in the Carling-Sorenson Theater for guest viewing. In addition, those who cannot be with us in person can view the ceremony online. Please visit www.babson.edu/commencement for more information.

In the event of an extreme weather emergency, please refer to our website or the Babson College Information Line, 781-239-INFO (4636), for detailed information.
COMMENCEMENT CLEARANCE PROCESS (CCP) AND ACADEMIC REGALIA

In order to participate in Commencement, all degree candidates must log into the Babson Student Hub, where there will be a designated portlet for the Commencement Clearance Process. Here, candidates will view and complete the requirements necessary to pick up their cap and gown and participate in the ceremony, such as fulfilling financial obligations, completing surveys, and returning laptops. This site will be available to degree candidates approximately two weeks before commencement.

Caps, gowns, and tassels are furnished by the College at no charge to graduates and may be kept as souvenirs of this memorable occasion. Regalia will be available at the bookstore the week of May 11, Monday through Friday. Please check the bookstore website for hours of operation at http://babson.bncollege.com. Remember: Candidates cannot pick up their regalia until all requirements have been fulfilled through the Commencement Clearance Process.

All degree candidates will be wearing eco-friendly caps and gowns made from 100 percent post-consumer, recycled plastic bottles. The fabric is spun from molten plastic pellets, and it takes about 23 bottles to make each gown.

ACADEMIC PROCESSION

The academic procession will form on the track inside the Webster Athletic Center beginning at 8:45 a.m. It will proceed in two lines to the tent via the walkway beside the turf field. The order of the procession is as follows: chief marshal, members of governance, faculty and staff, valedictorian, academic honors program graduates, graduating seniors, and the platform party.

The formal ceremony begins when all members of the platform party have reached the stage.
COMMENCEMENT HONORS/ ACADEMIC HONORS PROGRAM

The undergraduate academic honors printed in the Commencement program are based on averages at the end of the student’s last semester. Summa cum laude is signified by a gold tassel; magna cum laude is signified by a white tassel; and cum laude is signified by a red tassel. The cumulative grade point average is calculated upon completion of all degree requirements.

- Cum laude–3.30 to 3.49 cumulative grade point average
- Magna cum laude–3.50 to 3.74 cumulative grade point average
- Summa cum laude–3.75 to 4.0 cumulative grade point average

The valedictorian honor is awarded to the student with the highest academic rank in the Class of 2015, which includes graduates from September/December 2014 in addition to the current May 2015 graduates. This person has the honor of leading the graduates in the academic procession and is the first to receive a diploma. The valedictorian wears a gold cord.

The Honors Program offers enhanced curricular and cocurricular opportunities to academically accomplished students. The centerpiece of the program is the Honors Project. For two semesters, students work closely with a faculty adviser to engage in independent research in an area of their own choosing. The resulting project is an original scholarly contribution to the student’s field of inquiry. Students who fulfill all of the requirements of the Honors Program receive a degree with honors, which constitutes the highest academic distinction awarded by the College to graduating seniors. The Honors Program students wear a bronze medallion.
