A MESSAGE FROM THE PRESIDENT

Dear Degree Candidates, Families, and Friends:

On behalf of the faculty and members of the Boards of Governance, I invite you to join us at the Babson College Commencement on Saturday, May 14, 2016.

Through their commitment to living and learning entrepreneurially, our graduates are prepared to take the next step in their life’s journey. This is a day of celebration with parents, families, and friends who have encouraged, supported, and believed in the Class of 2016 as they have worked diligently to earn their degrees. We are rightfully proud of their many accomplishments, and are confident they will use what they have learned and experienced at Babson to pursue their dreams and achieve their goals.

Please reference this booklet to help you fully enjoy our wonderful Commencement ceremony, and again my heartfelt congratulations to the newest alumni of Babson College. We look forward to the positive impact you will make on our world as entrepreneurial leaders who create economic and social value everywhere.

Sincerely,

Kerry Healey
President
GENERAL INFORMATION

Congratulations to degree candidates and their families for reaching this major milestone. We recommend that degree candidates and their guests read the important Commencement-related information in this booklet.

It has been prepared in an effort to anticipate as many questions as possible. We welcome your inquiries as other questions arise (see Important Phone Numbers, page 9). Please see the diagram on page 19 for an overview of the tent setup.

MASTER’S DEGREE CEREMONY

F.W. Olin School of Business

The 64th Commencement of the Graduate School will be held on Saturday, May 14, 2016, at 3 p.m. The academic procession for Commencement will leave from the Webster Center and begin promptly at 2:40 p.m. The exercises will be held in the tent on the Upper Athletic Fields and will last approximately two and a half hours.

More than 5,000 guests will attend this event. Family and guests attending the graduate ceremony should be seated by 2:30 p.m.

IMPORTANT: Tickets are not required for this ceremony.

Guests also may view the exercises via live broadcast in the Carling-Sorenson Theater. For family and friends who cannot attend, the ceremony can be viewed online. Please visit the Commencement website, www.babson.edu/commencement, for more information.

Organizing a procession of more than 600 master’s degree recipients takes at least one hour. Therefore, we ask that all degree candidates assemble on the track in the Webster Center by 1:40 p.m., where refreshments will be available. The class photo will be taken in the Staake Gymnasium at 1:30 p.m., just prior to assembling for the procession. Please wear your robes for this photo.

Please be aware that Babson’s bachelor degree ceremony will be held earlier in the day on May 14. The undergraduate ceremony will conclude by 12:30 p.m., and the Commencement tent on the Upper Athletic Fields will be reset for this ceremony. Guests will not be allowed to enter the Commencement tent until 1:45 p.m. to allow time to prepare the tent for the master’s degree ceremony.
**GUEST SERVICES**

Babson hosts, identified by green ribbons on their name tags, will be stationed throughout the campus on Commencement day to provide any assistance that may be needed.

**Medical services** will be available at the first-aid vehicle, located on site.

**Water stations** will be located at several points around the Commencement tent.

**Concession tents** selling food and beverages will be open from 8 a.m. to 3:30 p.m. Diploma frames and Babson clothing and gifts may be purchased on the Upper Athletic Fields. The bookstore in the Donald W. Reynolds Campus Center will be open on Saturday, May 14. Please check the bookstore website for hours of operation at http://babson.bncollege.com.

**Flowers**, sponsored by the Class of 2017 Senior Week Committee, will be available for purchase at the tent area for your convenience.

**Restrooms** are located on both floors of the Webster Center. In addition, there will be portable facilities close to the Commencement tent area. Facilities are handicap accessible.

**Accessibility:** Babson College is committed to providing accommodations for individuals with visual, hearing, and/or orthopedic/mobility-related impairments.

- For individuals with an orthopedic/mobility-related impairment, special drop-off locations with golf-cart transportation to the tent are located on the Coleman Hall side of the Upper Athletic Fields and at the Webster Center. Directional signage will be posted.

- Seating is available to accommodate any guest with a mobility-assistance device. Please call the Events Management Office at 781-239-5265 to make arrangements, no later than Friday, April 22, 2016.

- For individuals with a hearing impairment, assistive listening devices (Nady ALD-800) will be provided upon request. Please call the Events Management Office at 781-239-5265 before April 22, 2016, to request a device, to ask questions regarding any other accessibility issues, or to request an accommodation not listed.
Lost and found articles will be held by the Office of Public Safety at 781-239-5555.

Photographs: Professional photographers will take pictures of each graduate: first, when the graduate crosses the stage; and then, as the graduate leaves the stage with diploma in hand. We ask guests to remain in their seats. Within approximately two weeks after Commencement, you will receive photo proofs and an order form from Grad Images. If you do not receive these items, please call the company directly at 800-261-2576 or visit them online at www.gradimages.com.

A class photo will be taken prior to the ceremony at 1:30 p.m. in Staake Gymnasium. Please wear your robes for this photo. For ordering information, please contact Panfoto at www.panfoto.com.

Pets: We ask that you leave pets at home. With the exception of visual assistance dogs, no pets of any kind are allowed in the Commencement tent.

Children: Children are welcome to attend the ceremony; however, due to safety precautions, graduates are not permitted to carry, or be accompanied by, children onstage.

**The baccalaureate ceremony is a service of worship in celebration of and thanksgiving for lives dedicated to learning and wisdom.
Babson’s initiatives in sustainability bring Entrepreneurial Thought and Action® to the forefront of global energy and environmental issues. We began our energy-efficiency efforts more than 20 years ago, and today the College is a leader in the field of corporate social entrepreneurship and environmental sustainability.

We are excited to share the following ways that we practice sustainability at Commencement:

- All degree candidates will be wearing caps and gowns made from 100 percent post-consumer, recycled plastic bottles. The fabric is spun from molten plastic pellets, and it takes about 23 bottles to make each gown.

- Babson diplomas are printed on cotton parchment, which is 100 percent cotton rag paper made from recovered tree-free fibers through cotton ginning waste and textile cuttings. The manufacturing plant is located in Massachusetts.

- Every attempt is made to use recycled paper for our printed programs, tickets, booklets, and other materials.

- We have greatly decreased our paper usage by using e-communications for the majority of our communications regarding Commencement.

- The plastic cups and cutlery are recyclable in the blue bins, and the paper napkins and plates are compostable in the green bins.

- We offer recyclable cups at water stations around the Commencement tent to decrease the number of water bottles.
ANNOUNCEMENTS

Personalized announcements/formal invitations may be purchased online by our vendor, Balfour, at www.balfour.com or by calling 877-225-3687. When purchasing, be sure you order announcements for the appropriate ceremony (graduate versus undergraduate). Allow three weeks for delivery.

Students in need of a formal invitation letter from the College for their international guests should contact Glavin Office of Multicultural and International Education at 781-239-4565 or isss@babson.edu.

WEATHER INFORMATION

Commencement will be held under the tent, rain or shine, in order to accommodate a larger audience. Since New England weather can vary in May, we ask our guests to dress appropriately for the conditions. Candidates and guests must provide their own umbrellas and raincoats. Participants and guests should come prepared if inclement weather is expected on Commencement day.

IMPORTANT: In the event of extremely severe weather, the tent walls may be put in place, prohibiting good visibility from outside the tent.

Regardless of weather conditions, Babson will provide a live broadcast of the ceremony in the Carling-Sorenson Theater for guest viewing. In addition, those who cannot be with us in person can view the ceremony online. Please visit www.babson.edu/commencement for more information.

In the event of an extreme weather emergency, please refer to our website or the Babson College Information Line, 781-239-INFO (4636), for detailed information.
COMMENCEMENT CLEARANCE PROCESS (CCP) AND ACADEMIC REGALIA

In order to participate in Commencement, all degree candidates must log into the Babson Student Hub, where there will be a designated portlet for the Commencement Clearance Process. Here, candidates will view and complete the requirements necessary to pick up their cap and gown and participate in the ceremony, such as fulfilling financial obligations and completing surveys. This site will be available to degree candidates approximately two weeks before commencement.

Caps, gowns, and tassels are furnished by the College at no charge to graduates and may be kept as souvenirs of this memorable occasion. Regalia will be available at the bookstore the week of May 9, Monday through Friday. Please check the bookstore website for hours of operation at http://babson.bncollege.com. Remember: Candidates cannot pick up their regalia until all requirements have been fulfilled through the Commencement Clearance Process.

All degree candidates will be wearing caps and gowns made from 100 percent post-consumer, recycled plastic bottles. The fabric is spun from molten plastic pellets, and it takes about 23 bottles to make each gown.

ACADEMIC PROCESSION

The academic procession will form on the track inside the Webster Athletic Center beginning at 1:40 p.m. At 2:40 p.m. it will proceed in two lines to the tent via the walkway beside the turf field. The order of the procession is as follows: chief marshal, members of governance, faculty and staff, graduate student council president, master’s degree graduates, and the platform party.

The formal ceremony begins when all members of the platform party have reached the stage.

On Commencement day, all parking areas except for the reserved parking around the Webster Center will be available to guests. While at first glance Babson may appear to have more than adequate parking, we assure you that every lot is full on Commencement day. Some parking areas are a 10- to 15-minute walk to the ceremony site; therefore, we recommend that guests arrive early.

Babson College is located in Wellesley, Massachusetts. The campus is approximately 14 miles west of Boston. If you drive, allow ample time to reach the campus. Travel on campus may be slow because of heavy traffic. Please do not block access roads around the residence halls, as seniors will be vacating the residence halls immediately following the ceremony.

MESSAGE FROM THE ALUMNI ASSOCIATION

Congratulations on your graduation from Babson! You now are part of the Alumni and Friends Network, consisting of more than 38,000 Babson entrepreneurial leaders in 50 states and 114 countries. You also automatically become a member of the Babson College Alumni Association, which works with the Alumni and Friends Network and more than 30 regional alumni clubs and networks to provide opportunities for alumni to remain connected to Babson and to each other.

As part of this extended community, you have access to benefits, services and leadership opportunities designed to add value to your professional and personal life. A detailed description of these benefits can be found on the Babson alumni website, www.babson.edu/alumni. The Babson Alumni and Friends Network specifically provides:

- **Valuable resources** such as Career Connections, our alumni job-search tool; free access to many of the most popular library databases; and opportunities to promote your entrepreneurial venture in the Alumni Business Directory.

- **Alumni events**, including networking, lifelong learning, and service programs.

- **Volunteer opportunities** with an alumni regional club or network or one of many Babson programs including CLTP, Women’s Leadership, and undergraduate or graduate admissions.

- **A password-protected alumni directory** for you to stay connected to fellow alumni and to update your contact information online at any time.

- **Access to alumni services for entrepreneurs**, including B.E.T.A (Babson Entrepreneurial Thought & Action®) Challenge, a competition that rewards alumni businesses with cash and in-kind prizes and BASE (Babson Alumni Supporting Entrepreneur), offering pro-bono virtual alumni consultations for your business.

- **Special offers and exclusive discounts** for alumni through Babson Advantage – savings on shopping, insurance programs and Babson alumni businesses. Proceeds benefit student scholarship and alumni engagement programming.
In addition, as a new graduate, you will begin receiving Babson Magazine on a quarterly basis and a monthly e-newsletter.

But the power of the Babson Alumni Network comes from you. Your active engagement strengthens the Network, and your participation expands the influence of your Babson degree around the world. We hope you’ll consider joining thousands of your fellow alumni with a contribution to Babson each year—your participation makes a big difference!

Congratulations again on your accomplishments at Babson. We look forward to helping you stay connected with Babson, and with the Alumni and Friends Network. If we can be of assistance, please contact the Alumni and Friends Network at alumrel@babson.edu or at 781-239-4562.
WHILE YOU’RE ON CAMPUS

The Donald W. Reynolds Campus Center includes the bookstore, a café, Dunkin’ Donuts, meeting rooms, and comfortable gathering spaces, and offers a warm and informal public setting that supports a sense of community.

The Arthur M. Blank Center for Entrepreneurship is the home of Babson’s entrepreneurial studies program. Facilities include a 40-seat room wired for teleconferencing, a cyber forum, and a 12-seat room where visitors can view videos.

The Glavin Family Chapel is an interfaith facility where members of the College community may practice their faith, seek inspiration and guidance, and find peace in the quiet of a sacred space.

The Richard W. Sorenson Center for the Arts is a multipurpose facility featuring the 450-seat Carling-Sorenson Theater, which occupies the principal space in the building. The building also includes practice rooms, dressing rooms, and a rehearsal studio.

The Sorenson Family Visual Arts Center, located in Trim Hall, includes a black-and-white photography lab with darkroom; a 2-D studio for painting, drawing, and liberal arts projects; a 3-D studio with kiln room for clay, pottery, and wood projects; a state-of-the-art multimedia digital lab; and an artist-in-residence studio.

The Stephen D. Cutler Center for Investments and Finance, located in Horn Library, provides resources for understanding, researching, and participating in the field of finance. The center is used by students conducting finance course work and those participating in the Babson Investment Management Association and the Babson College Fund, as well as by faculty.

The Babson Globe is a free-standing globe measuring 28 feet in diameter and weighing 25 tons. The exhibit is located in front of Coleman Hall on Map Hill Drive.

Park Manor West and the Leonard A. Schlesinger First-Year Innovation Center Park Manor West is the home to more than 200 first-year students, and features the Schlesinger Innovation Center, one of Babson’s most exciting and creative dedicated learning spaces and home to the FME innovation center, classroom, and amphitheater. The exterior is highlighted by the Tomasso Quad, and the building completes the framing of the first-year quad. Park Manor West is rated LEED Silver and exemplifies Babson’s commitment to sustainable building and use. At the same time, it is a beautiful addition to Babson Park Drive.
