The 45th BCERC will be held at Babson College, Babson Park, MA, USA. The conference will focus on cutting-edge empirical research in progress that will significantly advance the field of entrepreneurship.

Information on BCERC Call for Papers and Doctoral Consortium can be found on our website at bcerc.com.
Babson College is the educator, convener, and thought leader for Entrepreneurship of All Kinds®. The top-ranked college for entrepreneurship education, Babson is a dynamic living and learning laboratory where students, faculty, and staff work together to address the real-world problems of business and society. We prepare the entrepreneurial leaders our world needs most: those with strong functional knowledge and the skills and vision to navigate change, accommodate ambiguity, surmount complexity, and motivate teams in a common purpose to make a difference in the world, and have an impact on organizations of all sizes and types. As we have for nearly a half-century, Babson continues to advance Entrepreneurial Thought & Action® as the most positive force on the planet for generating sustainable economic and social value.

Founded by Babson College in 1981, BCERC was established to provide a dynamic venue at which academics and real-world practitioners could link theory and practice. Frontiers of Entrepreneurship Research BCERC Proceedings, published annually, contains the proceedings of the conference and is the most comprehensive collection of empirical research papers on entrepreneurship. In conjunction with the research conference, a Doctoral Consortium program was established to unite future entrepreneurship educators and scholars.
