A MESSAGE FROM THE PRESIDENT

Dear Degree Candidates, Families, and Friends:

It is my great pleasure to invite you to the Babson College Centennial Commencement on Saturday, May 18, 2019. This year's ceremony is particularly exciting as we commemorate Babson's first 100 years and look ahead to a second century of leadership and innovation in entrepreneurship education.

Commencement 2019 will be an incredible day of celebration for our graduates, the families and friends who have supported and encouraged them throughout their Babson journey, and our entire Babson community. We are so proud of the many accomplishments our students have already achieved, and we are confident that their Babson experience will enable them to pursue their dreams, reach their goals, and create economic and social value everywhere.

As we look ahead to our next century, we remain focused on preparing Entrepreneurs of All Kinds to lead in a new way, creating social and economic value simultaneously, and, in doing so, transforming lives, businesses, and communities for the better. Members of the Class of 2019 are the first graduates of Babson's second century, and we look forward to the positive impact they will have on the world!

Please reference this booklet to help you fully enjoy our Centennial Commencement ceremony. On behalf of Babson's faculty, staff, and members of the Boards of Governance, we look forward to seeing you in May as we celebrate Babson's Centennial and congratulate the Class of 2019!

Sincerely,

Kerry Healey
President

GENERAL INFORMATION

Congratulations to our degree candidates and their families for reaching this major milestone. We recommend that degree candidates and their guests read the important Commencement-related information in this booklet.

It has been prepared in an effort to anticipate as many questions as possible. We welcome your inquiries, as well as other questions as they arise (see Important Contact Information, page 12). Please see the diagram on page 24 for an overview of the tent setup.

BACHELOR'S DEGREE CEREMONY

Babson Undergraduate School

The 100th Commencement of the undergraduate school will be held on Saturday, May 18, 2019, at 10 a.m. The academic procession for Commencement will leave from the Webster Center and begin promptly at 9:40 a.m. The exercises will be held in the tent on the Upper Athletic Fields and will last approximately two hours.

More than 5,000 guests will attend this event. Family and guests with tickets who are attending the undergraduate ceremony should be seated by 9:30 a.m.

IMPORTANT: Ticket holders must be at the tent by 9:50 a.m. to be guaranteed a seat under the tent. Guests also may view the exercises via live broadcast in the Carling-Sorenson Theater.

For family and friends who cannot attend, the ceremony can be viewed online. Please visit the Commencement website, www.babson.edu/commencement, for more information.

Organizing a procession of approximately 500 degree recipients takes at least one hour. Therefore, we ask that all degree candidates assemble on the track in the Webster Center by 8:45 a.m., where beverages will be available. The class photo will be taken in the Staake Gymnasium at 8:30 a.m., just prior to assembling for the procession.

Please be aware that the Commencement of the F.W. Olin Graduate School of Business at Babson College also will be held on May 18. This ceremony begins at 3 p.m. in the Commencement tent on the Upper Athletic Fields.

ACADEMIC PROCESSION AND RECESSION

The academic procession will form on the track inside the Webster Athletic Center beginning at 8:40 a.m. It will proceed in two lines to the tent via the walkway beside the turf field. The order of the procession is as follows: chief marshal, members of governance, faculty and staff, valedictorian, academic honors program graduates, graduating seniors, and the platform party.

The formal ceremony begins when all members of the platform party have reached the stage. Students will recess through the front of the tent to Reynolds Campus Center. We instruct guests to meet their graduates at the Reynolds Campus Center.

GUEST SERVICES

Babson hosts, identified by green ribbons on their name tags, will be stationed throughout the campus on Commencement day to provide assistance.

Medical services will be available at the first-aid vehicle, located on the field.

Water stations will be available at several locations around the Commencement tent.

Concession tents, located on the Upper Athletic Fields selling food and beverages, will be open from 8 a.m. to 4:30 p.m. You may purchase diploma frames, Babson clothing and gifts. The campus store in the Donald W. Reynolds Campus Center will be open on Saturday, May 18. Please check the campus store website for hours of operation at campusstore.babson.edu.

Flowers, sponsored by the Class of 2020 Senior Week Committee, will be available for purchase at the tent area for your convenience. Flowers also will be available for pre-orders on the Babson website.

Restrooms are located on both floors of the Webster Center and in the residence halls adjacent to the field. In addition, there will be portable facilities close to the Commencement tent area. Facilities are handicap accessible.

Accessibility: Babson College is committed to providing accommodations for individuals with visual, hearing, and/or orthopedic/mobility-related impairments.

- For individuals with an orthopedic/mobility-related impairment, special drop-off locations with golf-cart transportation to the tent are located on the Coleman Hall side of the Upper Athletic Fields and near the Webster Center.

Please note: There is construction around the Webster Center and directional signage will be posted.

- Seating is available to accommodate any guest with a mobility-assistance device. Please call the Events Management Office at 781-239-5265 to make arrangements, no later than Friday, April 19, 2019.
- For individuals with a hearing impairment, assistive listening devices (Nady ALD-800) will be provided upon request. Please call the Events Management Office at 781-239-5265 before Friday, April 19, 2019, to request a device, to ask questions regarding any other accessibility issues, or to request an accommodation not listed.

The following items are prohibited at Commencement:

- Unmanned or remote-controlled aircraft systems
- Any type of portable chair or seat, other than those approved for persons with accessibility issues
- Laptop bags, backpacks, duffel bags, suitcases, large purses, and any other type of large carry item
- Any alcoholic beverages
- Weapons of any kind [including knives]
- Illegal drugs or substances
- Coolers or containers, including cans and bottles
- Fireworks or pyrotechnics
- Animals, except service animals assisting those with disabilities
- Folding and/or standalone chairs
- Noisemakers, bullhorns, or air horns
- Balloons or beach balls
- Hoverboards

Photography: Professional photographers will take pictures of each graduate: first, when the graduate crosses the stage; and then, as the graduate leaves the stage with diploma in hand. We ask guests to remain in their seats.

Within approximately two weeks after Commencement, you will receive photo proofs and an order form from Grad Images. If you do not receive these items, please call the company directly at 800-261-2576 or visit them online at www.gradimages.com.

A class photo will be taken prior to the ceremony at 8:30 a.m. in Staake Gymnasium. For ordering information, please contact Panfoto at www.panfoto.com.

Video: A professionally produced video of the undergraduate Commencement ceremony will be made available as a free download from the Babson Commencement webpage: www.babson.edu/commencement.

Please look for the download graphic once the recap site is live.

*Download times will vary based on your internet connection.

Children: Children are welcome to attend the ceremony; however, due to safety precautions, graduates are not permitted to carry, or be accompanied by, children onstage.

Pets: We ask that you leave pets at home. With the exception of visual assistance dogs, no pets of any kind are allowed in the Commencement tent.

That Special Goodbye: This Babson tradition allows faculty, administrators, undergraduates, fellow graduates, parents, and friends to send congratulatory notes and cards to graduates at the ceremony. Your message should be in a sealed envelope, with the first and last name of the candidate. The Events Management staff will place your envelope on the candidate's chair before the start of the ceremony. Please provide a return address. Only standard-size greeting cards will be accepted. Do not send packages or flowers, as they are difficult to handle.

Submit your card or note no later than Friday, April 19, 2019, to:

SUSTAINABILITY AT COMMENCEMENT

Babson's initiatives in sustainability bring Entrepreneurial Thought & Action® to the forefront of global energy and environmental issues. We began our energy-efficiency efforts more than 20 years ago, and, today, the College is a leader in the field of corporate social entrepreneurship and environmental sustainability.

We are excited to share the following ways that we practice sustainability at Commencement:

- All degree candidates will be wearing caps and gowns made from 100 percent post-consumer, recycled plastic bottles. The fabric is spun from molten plastic pellets, and it takes about 23 bottles to make each gown.
- Babson diplomas are printed on cotton parchment, which is 100 percent cotton rag paper made from recovered tree-free fibers through cotton ginning waste and textile cuttings. The manufacturing plant is located in Massachusetts.
- Every attempt is made to use recycled paper for our printed programs, tickets, booklets, and other materials.
- We have greatly decreased our paper usage by using e-communications for the majority of our communications regarding Commencement.
- The plastic cups are recyclable in the blue bins. Napkins, plates, and cutlery should be disposed of in the trash bin.
- We offer recyclable cups at water stations around the Commencement tent to decrease the number of water bottles.

TICKETS

Tickets are required for ALL guests to gain entry to the Commencement tent. For Commencement 2019, each degree candidate will receive **eight** tickets for guest seating under the tent. For guaranteed seating under the tent, ticket holders must be at the Commencement tent on the Upper Athletic Fields by 9:50 a.m.

Tickets are to be picked up by prospective graduates beginning Wednesday, May 8, through Friday, May 10, and Monday, May 13, through Friday, May 17, in

Cruickshank Alumni Hall. Candidates are welcome to bring as many guests as they wish to view the exercises from outside the tent or inside the Carling-Sorenson Theater via live broadcast. There is ample room, and we have found that many people enjoy the freedom these options allow.

ANNOUNCEMENTS

Personalized announcements/formal invitations may be purchased online by our vendor, Balfour, at www.balfour.com or by calling 877-225-3687.

When purchasing, be sure you order announcements for the appropriate ceremony (undergraduate versus graduate). Allow three weeks for delivery.

Students can download a template invitation letter for their international guests at www.babson.edu/iss.

Please note: Announcements are not considered tickets and will not permit entry to the tent.

WEATHER INFORMATION

Commencement will be held under the tent, rain or shine, in order to accommodate a larger audience. Since New England weather can vary in May, we ask our guests to dress appropriately for the conditions. Candidates and guests must provide their own umbrellas and raincoats. Participants and guests should come prepared if inclement weather is expected on Commencement day.

IMPORTANT: In the event of extremely severe weather, the tent walls may be put in place, prohibiting good visibility from outside the tent. Again, each candidate will be given eight tickets for guest seating under the tent.

Regardless of weather conditions, Babson will provide a live broadcast of the ceremony in the Carling-Sorenson Theater for guests. In addition, those who cannot be with us in person can view the ceremony online. Please visit www.babson.edu/commencement for more information.

In the event of an extreme weather emergency, please refer to our website or the Babson College Information Line, 781-239-INFO (4636), for detailed information.

COMMENCEMENT CLEARANCE PROCESS (CCP) AND ACADEMIC REGALIA

In order to participate in Commencement, all degree candidates must log into the Babson Student Hub, where there will be a designated portlet for the **Commencement Clearance Process**. Here, candidates will view and complete the requirements necessary to pick up their cap and gown and participate in the ceremony, such as fulfilling financial obligations, completing surveys, and returning laptops. This site will be available to degree candidates approximately two weeks before Commencement. Degree candidates will be emailed prior to the site opening at their Babson email address.

Caps, gowns, and tassels are furnished by the College at no charge to graduates and may be kept as souvenirs of this memorable occasion.

Regalia will be available at the campus store the week of May 13, Monday through Friday. Please check the campus store website for hours of operation at campusstore.babson.edu.

IMPORTANT: Candidates cannot pick up their regalia until all requirements have been fulfilled through the Commencement Clearance Process.

COMMENCEMENT HONORS/ ACADEMIC HONORS PROGRAM

The undergraduate academic honors in the Commencement program are based on averages at the end of the student's last semester. Summa cum laude is signified by a gold tassel; magna cum laude is signified by a white tassel; and cum laude is signified by a red tassel. The cumulative grade point average is calculated upon completion of all degree requirements.

- Cum laude—3.30 to 3.49 cumulative grade point average
- Magna cum laude—3.50 to 3.74 cumulative grade point average
- Summa cum laude—3.75 to 4.0 cumulative grade point average

The valedictorian honor is awarded to the student with the highest academic rank in the Class of 2019, which includes graduates from August/December 2018, in addition to the current May 2019 graduates. This person has the honor

of leading the graduates in the academic procession and is the first to receive a diploma. The valedictorian wears a gold cord.

The Honors Program offers enhanced curricular and cocurricular opportunities to academically accomplished students. The centerpiece of the program is the Honors Project. For two semesters, students work closely with a faculty advisor to engage in independent research in an area of their choosing. The resulting project is an original scholarly contribution to the student's field of inquiry.

Students who fulfill all of the requirements of the Honors Program receive a degree with honors, which constitutes the highest academic distinction awarded by the College to graduating seniors. The Honors Program students wear a bronze medallion.

CAMPUS PARKING

On Commencement day, all parking areas except for the reserved parking around the Webster Center will be available to guests. While at first glance, Babson may appear to have more than adequate parking, we assure you that every lot is full on Commencement day. Some parking areas are a 10- to 15-minute walk to the ceremony site; therefore, we recommend that guests arrive early.

DIRECTIONS

Babson College is located in Wellesley, Massachusetts. The campus is approximately 14 miles west of Boston. If you drive, allow ample time to reach the campus. Travel on campus may be slow because of heavy traffic. Please do not block access roads around the residence halls, as seniors will be vacating the residence halls immediately following the ceremony.

MESSAGE FROM THE ALUMNI AND FRIENDS NETWORK

Congratulations on your graduation from Babson! You are now part of Babson's global network of more than 41,000 alumni residing in all 50 states and in 119 countries. The Alumni and Friends Network provides opportunities for you and your fellow alumni to remain connected to Babson and to each other, but the power of the Babson Alumni Network comes from you! Your active engagement strengthens the network and your participation expands the influence of your Babson degree around the world.

As you move, relocate, or change jobs, please be certain to update your contact information in the Babson Connector, a password-protected online platform for the College's alumni, students, faculty, staff, and parents to engage and support one another personally and professionally. More specifically, the Babson Connector is a place for you to search for Babson alumni and businesses, post ventures to seek feedback and funding, stay up to date on Babson news and events, and more! Log on using your Babson credentials at connector.babson.edu.

In addition to the Babson Connector, the Alumni and Friends Network provides many resources to facilitate connections and to support your professional and personal endeavors:

- More than 400 events annually, including networking, professional development, and service programs hosted by our more than 60 regional alumni clubs, our affinity groups and networks, and the College at large.
- Volunteer opportunities with our alumni regional clubs, affinity groups and networks, and many of Babson's signature programs and offices, including the Coaching for Leadership and Teamwork Program (CLTP), Management Consulting Field Experience (MCFE), the Center for Women's Entrepreneurial Leadership (CWEL), Undergraduate Admission, and so much more. Help Babson retain its reputation and continue to grow by giving your time, talent, and treasure.
- Volunteer leadership opportunities with the Babson Alumni Association (BAA). The BAA works in close partnership with the Alumni and Friends Network to provide alumni with diverse engagement opportunities throughout the year.
- Access to alumni services for entrepreneurs, including the Butler Launch Pad, B.E.T.A (Babson Entrepreneurial Thought & Action®)

Challenge, a competition that rewards alumni businesses with cash and in-kind prizes, and BASE (Babson Alumni Supporting Entrepreneurs), pro-bono virtual alumni consultations for your business

- Access to research databases—available online as well as by visiting Horn Library on the Wellesley campus, that can be utilized for personal, professional, or noncommercial use.
- Ways to engage with the Babson community via social media—you can join the Babson College Alumni group on Facebook, join the Babson College Community group on LinkedIn, and follow @BabsonAlumni on Twitter and Instagram.

Congratulations again on your accomplishments at Babson. We look forward to helping you stay connected with Babson and one another.

If we can be of assistance, please contact the Alumni and Friends Network at alumrel@babson.edu or at 781-239-4562.

Centennial Park, scheduled for completion in spring of 2019, will be located in the heart of Babson's Wellesley campus, across the street from the Reynolds Campus Center and Hollister Hall. It will bring Roger Babson's vision of "an appreciation of the world as a whole" to the forefront, greeting visitors as they arrive on campus.

The Babson Globe is a free-standing globe measuring 28 feet in diameter and weighing 25 tons. The Globe is being refurbished, and is scheduled to be rededicated in May 2019 in its new location on campus in Centennial Park.

Park Manor West and the Leonard A. Schlesinger First-Year Innovation Center

Park Manor West is the home to more than 200 first-year students, and features the Schlesinger Innovation Center, one of Babson's most exciting and creative dedicated learning spaces and the FME innovation center, classroom, and amphitheater. The exterior is highlighted by the Tomasso Quad, and the building completes the framing of the first-year quad. Park Manor West is rated LEED Silver and exemplifies Babson's commitment to sustainable building and use. At the same time, it is a beautiful addition to Babson Park Drive.
