## PROGRAM OVERVIEW

The **CWEL Undergraduate Mentor Program** pairs Babson juniors and seniors with women professionals for a 12-week, one-to-one mentoring experience. The program facilitates meaningful developmental relationships aimed to support you in reaching your individual leadership and career goals.

## WHAT YOU GAIN

- Perspective and inspiration from experienced role-models
- An individualized approach to your professional development
- Skills in communication, goal-setting, and relationship-building
- An expanded professional network

## COMMITMENT

Students can expect to dedicate at least 15-20 hours of time over the duration of the program. In addition to mentoring sessions and required events, you commit to meeting preparation, communication, and follow-up activities as it relates to your mentorship goals.

## ELIGIBILITY

Currently enrolled **junior and seniors of all identities** are eligible to apply. Cohort size is dependant on the number of available mentors. Students will be considered based on date of application. **Please apply asap before Sep. 08 at [bit.ly/CWELmentor](https://bit.ly/CWELmentor).**
