AOTEAROA CENTRE
FOR ENTERPRISING WOMEN

The Aotearoa Centre for Enterprising Women, launched in 2022 by Dr. Christine Woods, creates relevant, purposeful and impactful research that focuses on enterprising women, gender and entrepreneurship. Through our research and education, we seek to unlock the entrepreneurial potential of women and develop the next generation of entrepreneurship scholars.

BABSON COLLEGE DIANA INTERNATIONAL RESEARCH CONFERENCE (DIRC) 2003 - 2025

Established in 2003 by five founding scholars, the Babson College Diana International Research Conference is the premier international research conference on women's entrepreneurship, gathering a collaborative network of researchers studying women's entrepreneurship from more than 60 countries.

It has been cited as one of the "top 1% most important meeting places" in the academic field of entrepreneurship studies.
