Campus Resources

Resources that may be of assistance to you during your enrollment at Babson are included below. Access to resources may vary based on program and enrollment status.

Accessibility Services	Responsible for evaluating and coordinating services for students with disabilities. Reasonable accommodations are determined after consultation with the student and through review of the student's medical documentation.
Advising	Provides academic and personal advising and support.
Babson Arts	Presents performances, exhibitions, films, and conversations designed to be entertaining and to shine a spotlight on global issues, social and environmental concerns, the creative process, and the arts as a business.
Career Development (Undergraduate)	Empowers every student from day one to develop pathways to professional success and lifelong learning. The goal of our Babson career development services is to make sure you shine and are empowered to make thoughtful, fruitful career choices.
Career Development (Graduate)	Offers career services to help you pursue your passions and achieve your goals. From acceptance through graduation, you'll access resources, dedicated advisors, and a global support network.
Centers and Institutes	With support from generous donors and in partnership with various campus organizations, Babson's academic centers are designed to provide students with real-life experience to put into practice what they learn in the classroom.
Clubs and Organizations (Undergraduate)	Over 100 diverse clubs and organizations offer learning and leadership opportunities to help define your Babson experience.
Clubs and Organizations (Graduate)	Graduate student clubs at Babson foster entrepreneurial leadership and always rise to meet the unique needs of Babson students.
Counseling Services	Provides a variety of counseling for students who need consultation, referral, and short term treatment.
Financial Aid	Provides support related to financial aid resources.
Math Resource Center (Undergraduate Only)	Provides support for the skills that are essential for an understanding of quantitative applications in business. Specifically, the MRC provides assistance for the required core business analytics courses AQM1000 and AQM2000.
Office of Belonging and Inclusion	Dedicated to empowering a diverse and inclusive campus community by nurturing a culture where each student experiences a deep sense of belonging and acceptance.
Peer Tutoring Program (Undergraduate Only)	Aids in student learning by offering trained, qualified peer tutors for six core Babson academic requirements: Managerial Accounting, Financial Accounting, Finance, Operations, Macroeconomics, and Microeconomics. Peer tutors are extensively trained to work with students to support their overall understanding and enhancement of concepts and skills.
Speech Center	Works closely with students as they learn how to be more effective communicators. Coursework may include speeches, oral briefings, class participation, or team presentations. The Speech Center also helps students develop competence and confidence in a variety of out-of-class projects and job-related presentations/interviews.
Veterans Group	Student organization formed to support student military veterans and promote veteran specific opportunities on-campus and in business endeavors. Contact student President Daniel Queiroz (dqueiroz1@babson.edu).
Wellness and Prevention Services	Supports population-level health, wellbeing, and safety through an evidence-based, environmental, community-oriented, strategic prevention portfolio that is grounded in harm reduction, health promotion, peer education, and direct services.
Writing Center (Undergraduate Only)	Supports members of the Babson community—staff, faculty, and students—who wish to strengthen their writing skills. Staffed by both faculty and peer consultants.
