

Dear Camp Family,

I hope you and your loved ones are safe and healthy. This has been an extraordinary time with unexpected twists and turns that seem to come daily. Unfortunately, today brings an additional twist. It is with great disappointment to announce that all Babson College sports camps have been CANCELLED for the summer of 2020. We have exhausted all possibilities and have simply run out of options to safely and effectively run sport camp programs. We lack sufficient time and resources to hire and train staff, effectively manage large groups while maintaining social distancing when camps are in operation, and to guarantee effective emergency management during inclement weather.

Babson College will issue full refunds within the next two weeks. If you paid with a credit card, you will simply see a credit to your card account. We will follow up this transaction with an e-mail receipt to cross reference with your credit card records to ensure accurate accounting. Please do not hesitate to call or e-mail the office with any questions or concerns. We will respond from our remote locations in a timely manner.

I cannot begin to express my disappointment in canceling this summer's camps. I look forward to the summer months and seeing so many young children enjoy their favorite sports! The trust you place in Babson Sports Camps is deeply appreciated and not taken lightly. While our current circumstances are unfortunate, with each passing day, we are one day closer to registration day for summer 2021. We will return!

Remain optimistic, stay active, stay safe, and help a friend in need.

Sincerely,

Jim Castrataro

Director Summer Programs
