Please find listed below the process for applying for need-based financial aid if you plan to take a Summer Session 2019 course at Babson and need financing options. Please note: Freshmen in the G.A.P. program who first enrolled at Babson in January 2019 do not need to complete this form; your financial aid for summer 2019 has already been packaged and can be viewed on the Babson Hub.

Financial aid applicants should complete page 2 of this form and submit it to SFS by April 1, 2019. If you have any questions related to financing options, you can set up a time to meet with a counselor in SFS. You can drop in during office hours or if you prefer, email us at sfs@babson.edu to schedule an appointment. Please note the following:

- Payment for summer, including any financial aid, is due on Monday, May 1, 2019. Your summer registration will be at risk of cancellation prior to the start of classes if payment is not received on a timely basis.

- Funding is limited; students who plan to take 6 or more credits during the summer will typically have more financial aid options available to them as many programs require half-time attendance (6 or more credits). We are unable to provide institutional funding for repeated or substituted courses due to a failure or withdrawal from a course.

- Students who receive full-tuition scholarships (Posse, Diversity Leadership, Weissman, Global Scholars, Enrico, Baldwin Richardson, NFTE): Your award covers full-tuition up to 8 semesters, plus two courses.

- Federal Direct Loan: If you will be enrolled in 6 or more credits during the summer and are a U.S. citizen /Permanent Resident, you can borrow through the Federal Direct Loan program.

- Supplemental Loans: If you have borrowed supplemental loans in prior semesters, that may be an option for summer as well. You can find additional loan information on our website at www.elmselect.com.

Payment for Summer Session 2019 is due.
NAME: _______________________________ YEAR IN SCHOOL: ________________________

EXPECTED GRADUATION DATE (including any anticipated summer ’19 credits): _________________________

PLANNED SUMMER SESSION COURSES (Please list name of course and number of credits):

_________________________________________  ______________________________

_________________________________________  ______________________________

TOTAL NUMBER OF PLANNED SUMMER CREDITS:

First Summer session: _____  Second Summer session: _____

HOUSING:  □ On Campus*  □ Off-campus rental  □ Commuting from home

*Students must sign up for on-campus housing with Residence Life. The summer housing application will be available on Babson Hub>My Housing on April 22, 2019 and is due by April 29, 2019.

Please indicate how summer coursework will impact your future enrollment plans:

____________________________________________________________________________

____________________________________________________________________________

I understand that Babson grants and scholarships awarded for the summer will reduce the amount of funding I would normally qualify for in an upcoming fall/spring semester if I attend Babson for 4 full academic years. NOTE: This would not apply to transfer students taking the credits they need to graduate. It also does not apply to students receiving full-tuition scholarships: Posse, Diversity Leadership, Enrico, Global Scholars, Baldwin Richardson, and NFTE since they are allowed 2 additional courses of tuition funding beyond the standard eight semesters.
