

2026 SUMMER SESSION FINANCIAL AID APPLICATION
STUDENT FINANCIAL SERVICES
sfs@babson.edu

Please find listed below the process for applying for need-based financial aid if you plan to take a Summer Session 2026 course at Babson and need financing options

Financial aid applicants should complete page 2 of this form and submit it to SFS by April 1, 2026. Save a copy of page 2 with your name included in the file and email a copy to sfs@babson.edu. If you have any questions related to financing options or submitting the form, you can email your SFS counselor for assistance or reach out to SFS at sfs@babson.edu. Please note the following:

- Financial aid applicants must complete their 2026-2027 financial aid application by **April 1, 2026**. Your 2026-2027 financial aid package, including summer, will be available by April 17, 2026. You can confirm the status of your 2026-2027 file using the Babson Student Portal. Click on Student Financial Services>Views>Your Financial Aid.
- Payment for summer, including any financial aid, is due on Wednesday, **May 1, 2026**. Your summer registration will be at risk of cancellation prior to the start of classes if payment is not received on a timely basis.
- Funding is limited; students who plan to take 6 or more credits during the summer will typically have more financial aid options available to them as many programs require half-time attendance (6 or more credits). We are unable to provide institutional funding for repeated or substituted courses due to a failure or withdrawal from a course.
 - Students who receive full-tuition scholarships (*Posse, Diversity Leadership, Weissman, Global Scholars, Enrico, Baldwin Richardson, NFTE, AMBSEL*): Your award covers full-tuition up to 8 semesters, plus two courses.
 - Federal Direct Loan: If you will be enrolled in 6 or more credits during the summer and are a U.S. citizen /Permanent Resident, you can borrow through the Federal Direct Loan program.
 - Supplemental Loans: If you have borrowed supplemental loans in prior semesters, that may be an option for summer as well. You can find additional loan information on our website at www.elmselect.com.

Mid-February 2026 and continuing into March 2026	Reach out to SFS with any questions regarding your plans for summer and review financing options.
February 26, 2026	Online registration opens for Summer Session 2026
April 1, 2026	Summer financial aid application and 2026-2027 renewal financial aid documents due for summer session participants.
April 17, 2026	26-27 financial aid packages for summer session participants will be available. Housing application due if living on campus.
May 1, 2026	Payment for Summer Session 2026 is due.

NAME: _____ YEAR IN SCHOOL: _____

EXPECTED GRADUATION DATE (including any anticipated summer '26 credits): _____

PLANNED SUMMER SESSION COURSES (Please list name of course and number of credits):

TOTAL NUMBER OF PLANNED SUMMER CREDITS: _____

HOUSING: On-campus Off-campus rental Remote courses Commuting to campus from home

On campus housing will be offered from May 17, 2026 through July 24, 2026 (10-week option). The cost is \$4,221 for a double room and \$4,644 for a single room. There is also a 6-week option for the shorter intensive courses. Eligible students seeking on campus housing for summer 2026 should apply via their Housing Portal by **April 12, 2026**. Please indicate how summer coursework will impact your future enrollment plans:

I understand that Babson grants and scholarships awarded for the summer will reduce the amount of funding I would normally qualify for in a future fall/spring semester if I attend Babson for 4 full academic years/8 semesters. Students receiving full-tuition scholarships (Posse, Diversity Leadership, Enrico, Global Scholars, Baldwin Richardson, NFTE, Weissman, and AMBSEL) have the option for up to 2 additional courses of tuition funding beyond the standard eight semesters. *Consider your course options carefully - any coursework funded with financial aid for which you do not earn credit will require self-funding in a future semester.*
