

# 2022-2023 Shared Leadership Application

The Office of Student Engagement at Babson College manages a shared application process for the numerous student leadership positions available on campus. These positions, listed below, are those that are selected through a college office, are supported by a staff advisor, and are committed to training centered on diversity, equity, and inclusion and Entrepreneurial Thought & Action (ET&A).

The grid below is intended to provide a high-level overview of each position, helping students understand where differences and similarities may fall within positions. For reasons which are unique to some positions, not all responsibilities and benefits can be adequately represented in this grid (\*\*). Students are encouraged to review the full job descriptions for each position they wish to apply to [babson.edu/studentleadership](http://babson.edu/studentleadership).
