Babson Summer Study for High School Students

You are part of the generation that is solving the world's greatest challenges.

Thank you for your interest in the Babson Summer Study Program. This program is offered by the Babson Academy Youth Impact Lab for high school students like yourself. The course will help you understand what it means to be an entrepreneur and will expose you to concepts related to opportunity identification, idea generation, prototyping, marketing, and much more.

This program will be offered in different formats: fully online, or in-person. In both formats, students are enrolled in the Babson College course, EPS 1110 Introduction to the Entrepreneurial Experience. Regardless of format, the course itself takes place online.
