ACCOUNTING CONCENTRATION and MSA PROGRAM

Approved Education Abroad Programs with Concentration Coursework

Students interested in pursuing an Accounting Concentration and preparing for enrollment with the MSA program at Babson can participate in an Education Abroad program during their four years. Advanced planning is imperative to ensure that all degree requirements, concentration coursework and any related CPA educational requirements are included in your academic plan.

To learn more about your options for a week-long, summer, or semester abroad program that will fit within the curriculum maps shown above, please contact your Education Abroad Advisor in the Glavin Office at: 781-239-4565. You can also visit the Glavin Office website for more information at <http://educationabroad.babson.edu>.

The Education Abroad programs listed below offer courses within the focus of this concentration. All courses must be evaluated for credit and approved by Babson's concentration coordinator to fulfill a requirement. You may be limited in how many courses you can apply from abroad towards a concentration. Courses offered at each program may vary by semester.
